Whether we endorse prize-fighting or not, it is nevertheless interesting to know the manner by which men arrive at such physical perfection.

James Jeffries, the present champion heavy-weight of the world, and his gallant opponent, Tom Sharkey, in the greatest puglistic encounter that has every taken place, both pursued much the same course of training and the first and most important part of this training was to get the stomach in condition, and to keep the digestion absolutely perfect, so that every muscle and nerve would be at its highest capabilities.
