

FROM AL OVER THE MARITIME PROVINCES

HOPEWELL HILL

Hopewell Hill, Oct. 8.—A largely attended Temperance meeting under the auspices of Progress and Golden Rule Divisions of the Sons of Temperance was held in the Presbyterian church at Riverside this evening. The members of the societies attended in regalia and the division chiefs furnished music. A. R. Stiles presiding at the organ. An admirable temperance discourse was delivered by Rev. W. J. Kirby, pastor of the Methodist church, who is a past grand worthy patriarch and past most worthy chaplain of the Sons of Temperance.

Mr. and Mrs. Arthur K. Melick, of St. John, came to the village today, being called by the serious illness of the latter's mother, Mrs. J. S. Atkinson.

Miss Apphia Turner, of Baie Verte, visited relatives here and at Harvey this week.

Hopewell Hill, Oct. 9.—G. Stanley Halper, pastor of the Methodist church at Alma, gave a very interesting address in the church here on Friday evening, on the subject of missions.

On Sunday morning Rev. Mr. Kirby addressed the Methodist Sunday school children who occupied the front seats of the church.

A fire in the coal bunkers of the steamship Tanagra at Grandisland on Saturday, was extinguished before any serious conditions developed.

Howard Reid continues seriously ill at the Hylop house, Albert. He is reported to be suffering from spinal meningitis. Dr. Ferguson, of Moncton, was to see him last night.

Peter J. McClellan is quite ill at his home at Albert.

Geo. W. Barber, a well known resident of Albert, is, contrary to the expectations of friends and medical attendants, recovering apparently from his late very serious illness. Mr. Barber's case is an unusual one, and that he is now on the road to recovery is little short of miraculous. He was taken ill a couple of months ago, with what was pronounced as spinal meningitis of the brain, his condition gradually growing worse until he was given up by the doctors, his death being considered only a question of a comparatively short time.

After being in a state of semi-consciousness for some time, however, he gradually rallied, and is now able to be about the house. His many friends will be much pleased to learn of his quite wonderful recovery.

James Hylop, of Albert, was fortunate in shooting a moose recently.

It is reported that a caribou was shot by a Carville man the other day. At Carville, the hunter who made the capture pronounces it such, as he says it was neither a deer or a moose. The animal, it seems, somewhat puzzled the local hunters, though some claim it was some sort of a deer. Game is pretty plentiful this season.

Hopewell Hill, Oct. 10.—Norman Barkhouse, while gathering apples today, fell from the tree and badly dislocated his right wrist. Dr. Murray, of Albert, was called to attend to the injury.

Howard Reid, who has been ill at Albert with spinal meningitis, was removed to his home here today, being somewhat improved.

The schooner Friendship is at Riverside with a cargo of coal for the consolidated school.

The building at Riverside for some time used as a hospital is being remodelled for F. C. Fullerton, merchant, who will move from the McCallum building, where he has been for some years.

Solomon Prosser, O. C. Moore, M. D. Fullerton and R. C. Peck each shot a moose recently.

FREDERICTON

Fredricton, N. B., Oct. 10.—Tonight's Gleamer says: The resignation of Hon. J. D. Hazen as premier and attorney-general of the province, will be tendered to his honor the lieutenant-governor in a few days, when Hon. J. K. Fleming, provincial secretary, will in all probability be called upon to form a new government. It is expected that the new premier will

retain the portfolio of provincial secretary, and that Hon. W. C. H. Grimmer, the present surveyor-general, will become attorney-general, and Hon. H. F. McLeod, now solicitor-general, will become surveyor-general.

It is not improbable that the office of solicitor-general will be filled by a well known legal gentleman in Westmorland, and that the other portfolios will remain as at present.

Rev. Dr. Pringle, of Sydney (N. S.), addressed the men's Bible class of St. Paul's Presbyterian church here this evening at the annual banquet. His subject was Ministry and Men. Tomorrow night he will speak on conditions in the Yukon during his stay there. Upwards of 100 men heard his address this evening.

The senior Rugby season will open here on Saturday next, the U. N. B. playing Fredericton City. The U. N. B. is also playing a game with St. Francis Xavier in Fredericton for Oct. 18.

Provincial Secretary Fleming was in conference last evening with W. H. Woods and W. B. Dickson, of the U. N. B. He will return on Friday morning but will return on Friday when it is likely the new government will be sworn in. Governor Tweedie, who was going to Quebec to meet the Duke of Connaught, cancelled the trip owing to pending changes in the cabinet.

Truman Upton of Lakeside Corner, shot a moose on Little River yesterday. It had antlers of sixty-one inches.

John G. Rice, of Dartmouth, returned today from the Miramichi. He shot a moose with antlers of sixty inches.

Fredricton, N. B., Oct. 11.—The express companies have given notice of an increase in rates of ten cents per hundred between Fredericton and St. John.

B. R. Houghton of Boston returned today after a three weeks hunting trip to the St. Lawrence. He shot six bears which establishes a record for that kind of game in this province.

Surveyor General Grimmer is in the city on departmental business. He declined to discuss impending cabinet changes but made the rather significant remark that he had not yet surrendered control of the crown land department.

W. B. Dickson, Conservative organizer, is still here and is said to have ambitions in direction of a place in the government.

Rev. Dr. J. H. MacDonald, pastor of the Brunswick street United Baptist church, and Mrs. MacDonald are celebrating the twentieth anniversary of their wedding today.

Revs. M. W. Whitley, of Musquash, St. John county; Henry W. Ivers, of Harcourt, Kent county; and J. W. O'Donnell and Sampson Cowley, of Grand Manan, Charlotte county, have been authorized to solemnize marriages.

Dr. L. N. Bourque, of Moncton, has been appointed chairman of the Westmorland County Board of Health, in place of the late Dr. L. J. Belliveau.

The appointments of a number of justices of peace are gazetted today, the list including Edward Boyle, James W. Willis, Thomas A. V. McKee, William J. Jones, John W. Cunningham, Stanley Beckwith, William McKee, Frederick R. Whipple and Hugh Connell, of St. John.

APOHAQUI

Apohequi, N. B., Oct. 10.—A quiet wedding took place at Oak Bay, Charlotte county, on Oct. 5, when Miss Carrie Lil Thompson became the bride of Walter Thomas Burgess, of Apohequi. The ceremony was performed by Rev. Richard Opie. The bride was attired in her traveling costume of Waterville broadcloth, and the groom wore a suit of blue cloth. After lunch the bridal party drove to St. John, and took the train to St. John. The bride received a large number of beautiful presents, among them being a crested pear from the groom. Mr. and Mrs. Burgess have many friends who extend hearty congratulations.

A. B. Wetmore, who is ill with typhoid fever, the home of his sister, Mrs. D. H. Fokke, does not improve as rapidly as his friends would wish.

G. Z. and Mrs. Parlee have had a sale of their household effects and leave shortly for St. John.

HER SKIN SEEMED TO BE FRUIT-A-LIVES

Every Other Treatment Failed But "Fruit-a-lives" Cures

Grande Ligne, Que., Jan. 2nd, 1910. "My wife was greatly distressed for three years with chronic Eczema on the hands, and the disease was so severe that it almost prevented her from using her hands. The doctor gave her several ointments to use, but none of them did any good. He also advised her to wear rubber gloves and she wore out three pairs without getting any benefit. As a last resort, I persuaded her to try "Fruit-a-lives," and the effect was marvellous. Now only the "Fruit-a-lives" entirely cured the Eczema, and the Aschia, which she suffered from, was also completely cured.

"We both attribute our present good health to 'Fruit-a-lives.' N. JOUBERT.

"Fruit-a-lives" will always cure Eczema on the hands, and Rheumatism, "Fruit-a-lives" purifies the blood, corrects the indigestion and Constipation, and tones up the Nervous System.

"Fruit-a-lives" is the only medicine in the world made of fruit juices and valuable tonic, and the greatest of all blood-purifying remedies. It is sold in 50c. a box—6 for \$2.50—or trial size, 25c. At all dealers or from Fruit-a-lives Limited, Ottawa.

"Fruit-a-lives" is the only medicine in the world made of fruit juices and valuable tonic, and the greatest of all blood-purifying remedies. It is sold in 50c. a box—6 for \$2.50—or trial size, 25c. At all dealers or from Fruit-a-lives Limited, Ottawa.
