

Application for admission, and for all further particulars, to be made to

THE REV. F. L. CHECKLEY, B.A., Head Master,

or to MAJOR EVANS,

Hellmuth College,

LONDON, CANADA.

THE FOLLOWING REGULATIONS SHOULD BE
CAREFULLY OBSERVED:

Each article must be marked with the name in full of the Pupil, without which mark the Clothes cannot be identified.

It is desirable that all articles of clothing be brought to the College clean, and in a good state of repair; and in cases where Parents are desirous that their children should be furnished with any article or money, a previous deposit must be made with the Treasurer, and no application from a Pupil will be entertained without this rule being complied with.

It is particularly requested that all Coats and Jackets may be of a dark colour. Collegiate Caps, of a certain prescribed make and material, are required to be worn, and will be supplied at the College for \$2.50.

In lieu of the Bed, Bedding, Towels, and other articles usually brought by Pupils to School, the College supplies all these, *for the whole period of a Pupil's residence*, for an entrance fee of \$12.
