INQUIRY OF MINISTRY

Mr. C.-A. GAUVREAU

No 87

Questions :

1. Is it the intention of the Government, during the present session, to pass a measure respecting patent medicines, repealing the Act which is now in force?
2. If not, is it the intention of the Government to efficaciously inspect the preparation and sale of medicines which contain basic properties of copious doses of alcohol and other ingredients to produce abortion?
3. If so, will the Government appoint a Committee to be composed of physicians, irrespective of politics, and not associated in the manufacture of patent medicines, except in the case relating to the preparing and revising of said proposed measure, before presenting it to Parliament?

Answers :

1. No.
2. Yes.
