WILSON'S COMPUTING SCALES

The Victor Safe and Lock Company have discovered the formula for combining cheapness with quality. The product is the Victor Safe. In point of materials, construction and finish the peer of any, the Victor is sold for 20 per cent less than any other reliable safe. The Victor is made from the best possible materials, by skilled workmen, who use tools specially manufactured for the purpose. The Victor Combination Lock is a triumph of the locksmith's skill, which renders it impossible for anyone unacquainted with the combination to open the safe without using the most powerful explosives. Severe tests have proved the Victor Safe absolutely fire and burglar proof. It is made by the most extensive safe manufacturers in the world; the only American safe company systematically working foreign markets. Special styles adapted to needs of doctors, public officials, etc. Vault doors of all kinds, steel safes, deposit boxes, special safe work for banks, etc. Prompt shipments.
