**Mercantile Summary.**

THE Grand River Farmers' Mutual Fire In-  
 surance Company was organized on the 12th  
 inst., with its head office at York, Ont.

MONTREAL has 729 fire hydrants of which 34  
 are private ones. 19,777 houses are supplied  
 with water and there are over 113 miles of cast  
 iron mains laid in the streets.

Two well-known men in Halifax commercial  
 circles have lately passed away, John D. Nash,  
 an old resident and a prominent auctioneer, and  
 J. B. Oxley, of the firm of Oxley & Co., Com-  
 mission Merchants.

THE Newfoundland sealing fleet has been  
 prevented by the ice from leaving on their usual  
 voyage this month. On Saturday last the  
 steamers managed to get a start, but the  
 sailing vessels are still frozen in.

THE Wellington, Grey and Bruce Railroad  
 has invited subscriptions for £41,600 of first  
 mortgage sterling bonds, bearing 7 per cent. in-  
 terest, in England at 92. They are a continua-  
 tion of £416,000 of similar bonds previously  
 issued.

HOPES are entertained of a rapid break-up of  
 the ice in the St. Lawrence, and an early open-  
 ing of navigation. The ice bridge is broken at  
 Quebec and some of the river steamer captains  
 at Montreal have expressed a belief that the  
 river will be open there by 15th of April.

THE German Government made their cau-  
 tious subjects still more cautious by warning  
 them that foreign goods sent to the Philadelphia  
 Exhibition of 1876 would be liable to seizure for  
 the debts of the Fair, should it not prove a suc-  
 cess. The Attorney-General for the U.S. de-  
 nies this however, and tells the Secretary of the  
 Canadian Commission that all goods sent to the  
 Centennial shall be under the protection of the  
 American Government, and cannot in any way  
 be made liable for debts of the Exhibition.

THE men in two of the large plumbing and  
 brass-founding concerns in Montreal have  
 struck in consequence of their employers hav-
