#### ELECTRIC POWDER.

This is one of the best articles on our list — something that every housekeeper needs. It is used for gold, silver, plated ware, German silver, copper, brass, tin, steel, window glass, or any material where a brilliant luster is required. To make two ounces costs but three cents; and it is the best article of its kind known.

*Recipe:* To one pound best quality whiting add one-half pound cream tartar and three ounces calcined magnesia. Mix thoroughly together and store away for use.

*Directions for use:* Use the polish dry, with a piece of canton flannel moistened with water or alcohol, and finish with the polish dry.

#### FRENCH POLISH OR DRESSING FOR LEATHER.

This is a grand article. All that is necessary is to have your boots clean and apply this dressing with a sponge. The boots appear like the very best French leather. Much hard work is saved, as no brushing is required. To make a quart vessel full will only cost about twenty cents.

*Recipe:* Mix half a pint of the best vinegar with a quarter pint of soft water; stir into it one ounce of glue (broken up), two ounces log-wood chips, one-sixteenth ounce of finely-powdered indigo, one-sixteenth ounce of the best soft soap, one-sixteenth ounce of isinglass. Put the mixture over the fire, let it boil ten minutes or more; then strain, bottle and cork. When cold it is fit for use. Apply with a sponge.

#### ARTIFICIAL HONEY.

Equal to bee honey, and often mistaken by the best judges to be genuine. It is palatable and luxurious. All persons are more or less aware that honey should be used in every household, and it would be so if every family could have it at a very moderate price. As a health-establishing nutriment in the chamber of the invalid, and as a delicious luxury for the well, honey cannot be too highly recommended. Any one using this honey regularly will find that he is strengthened and refreshed by it. He will have greater energy, and if at all inclined to dyspepsia will find himself greatly helped. This honey costs but eight cents per pound to prepare, and our directions are so simple a child ten years old can follow them.
