

Fencing Tournament on weekend

The New Brunswick Open Championships held at the UNB Gym on Saturday November 17th and Sunday, November 18th were dominated by Susan Stewart of UNB and Roland Morrison, formerly of UNB who moved to Halifax earlier this year and who was thus fencing for Nova Scotia. Both Susan Stewart and Roland Morrison were undefeated through the tournament. The results were:

LADIES FOILS: 1st-Susan Stewart, UNB(undefeated); 2nd-Barbara Daniel, Dalhousie; 3rd-Pat Bray, Memorial, Newfoundland.

MENS FOIL: 1st-Roland Morrison, Nova Scotia (undefeated); 2nd-John Shanks, Saint John; 3rd-Ed Freeman, Memorial, Newfoundland;

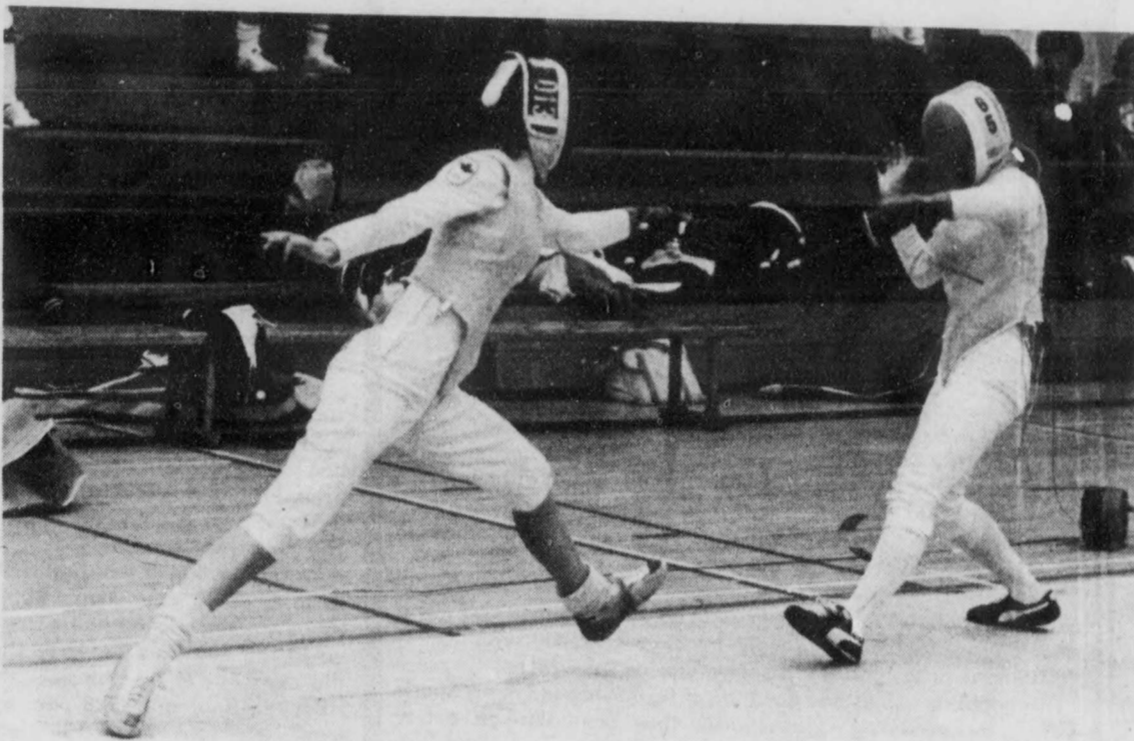

EPEE: 1st-David Goodrich, Killer Bees; Maine; 2nd-Ed Freeman, Memorial, Newfoundland; 3rd-Detlef Hess, UNB;

SABRE: 1st-Roland Morrison, Nova Scotia (undefeated); 2nd-Ed Freeman, Memorial, Newfoundland; 3rd-Detlef Hess, UNB;

Alan Manchester of UNB placed sixth.

The turnout for the competition was disappointing. The loss of Roland Morrison to Nova Scotia is going to hurt us in New Brunswick in the immediate future. A few years ago UNB dominated the fencing scene in the Maritime Provinces and Maine. Two years from now we could get the position back if we could get a good team of beginners now who would be ready for competition at the regional level by 1982. John Shanks of Saint John who came second in Mens Foil has been fencing for two years. People who complain that we don't have the proper coaching in the Maritime Provinces no longer have a valid argument in fencing. Susan Stewart, former Canadian National Champion and Olympic Fencer, now teaches French at St. Thomas and is right on our front doorstep.

We are often told "Fencing is something I've always wanted to try". The UNB Fencing Club is now in a position to say "Then why don't you?" Next term beginners sessions will be held at the UNB gym on Monday evenings. Full details will be given in the first issue next term. Watch the sports page and come and meet us on January 7th, 1980.

Children's swimming

Registration procedures for the second term of children's swimming lessons have been announced by the faculty of Physical Education and Recreation.

Faculty, staff, students and those extension students and members of the alumni who have purchased an Athletics Facilities Pass may pick up registration forms in Room A121, Lady Beaverbrook Gymnasium beginning Monday, December 3. Proper I.D. card will be required to pick up a form.

Completed forms will be turned in and fees paid on Saturday morning, December 8. Enrollment is limited, and children will be accepted on a first come first served basis.

Parents of children who have not enrolled previously in the U.N.B. swimming program must contact the registrar, Carol Brander, to discuss placement and possible screening. Any questions about classes or registration should be directed to Mrs. Brander at 455-3055.

Gymnastics

UNB gymnastics team opens its competitive season on November 24. The team travels to Halifax where they will compete against Dalhousie University, University de Moncton, and a local Halifax club. After their loss last year in the JAA championships, UNB intends to return to its position of supremacy in AUA gymnastics. After spending a year in Victoria to train Fredericton native Scott Hill has returned to attend UNB and is the most highly skilled freshman ever to attend UNB. Another freshman, Terry Lawrence from North Bay, is also more skilled than any previous freshman. First year gymnast Jeff Potts is learning skills at a very rapid pace and returnee Rick Weiler is expected to raise his performance level considerably from last year. The fifth member of the team Dan Seaman is injured and will not compete in Halifax this weekend.
