## This Week

### Handcuffs

Fired Security Supervisor Rob Hughes is suing the university for wrongful dismissal. Also, a law student, who has been charged with assault, plans to take legal action against the university because he was cuffed.

### VRES:

The administration is offering reimbursements to students who "incurred unavoidable out of pocket expenses."

### Human Rights

The Fascist offensive in Punjab glared up at me. I was holding a PHRO report, stocked with a numbing series of tortures, killings, detainments and disappearances.

### Life on the Roof

Domenico Serafino's exhibit at Zack's Gallery will help you look at life from a different perspective.

### Yeowomen

Field hockey coach Maria van der Merwe has the luxury of a full bench of good athletes.
