

Miss Isobel Armstrong <sup>44109</sup>  
One of those principally  
interested - has for  
several years with  
the "Advertiser" in our  
City - she is very gifted  
the daughter of a late  
member of Parliament  
Mr. J. A. Under.  
Sir Wilfred Laurier -  
also Miss Armstrong  
was the mover of  
a very forceful Resolution  
which was carried at  
the Liberal Convention  
in August.  
Being very much interested  
in Miss Armstrong & this  
her new effort - I am  
writing to ask you - if  
you will send me a photograph  
of your mother
