Right Hon. Arthur Meighen, M. P.,
Parliament Bldg.,
Ottawa, Ont., Canada.

My dear Sir:

I am greatly pleased to receive your acceptance of my invitation to address the meeting to be held at Montreal, Quebec, on December 2nd in commemoration of the founding of our brotherhood, and I observe the contingencies to which your acceptance is subject.

I sincerely hope that affairs will so shape themselves as to permit of your attendance, for I am confident that our members will greatly appreciate your address.

Yours sincerely,

D B Robertson
