Ottawa, Dec. 16, 1924.

Ambrose Wheeler, Esq.,  
Moncton,  
N.B.

Dear Mr. Wheeler:

Your name has been brought to my attention in connection with the provincial election in New Brunswick. In this contest I understand federal issues played no small part and undoubtedly the victory is of value to us in the federal arena. I therefore appreciate very much the efforts that were put forth and extend you my congratulations on the result of what you did. Senator McDonald has been in my office and has added his testimony.

Yours very truly,
