Dr. Eugene Forsey,
374 Picadilly Ave.,
Ottawa, Ontario.

My dear Eugene:

I am sending you the leading editorial
of the Toronto Star of 10th instant. You will be
interested in the last paragraph particularly.

The Winnipeg papers were quite extrava-
gant, and it was somewhat amusing to witness the
quick change of tone made by the Free Press after
I was definitely out.

Truly, it was a great Convention.

Yours sincerely,

AM/E.
