

I9I 64I-

Ottawa, 20th May, 1902-

Sir,

Referring to your letter of the 12th Instant, containing a copy of a Resolution of the Chippewas of Saugeen, to the effect that it is desirable to drain certain land on their Reserve, I have to request you to make a careful examination of the ground, in order to arrive at a definite decision as to what drains, in your opinion, should be constructed.

You should then make an approximate estimate of their cost, and submit it for the consideration of the Department. Please mark the location of the drains on the Plan herewith, and forward it to the Department with your estimate.

Your obedient servant,

  
Secretary-

John Scoffield, Esq.
