Ottawa, 12th August, 1915.

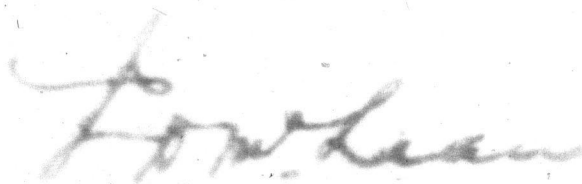

Sir,-

In view of the report in your letter of the 4th instant, relative to the formation of an agricultural society on James Smith's Reserve, and the proposal to hold a Fair this fall, I beg to say that the Department is prepared to make a grant of \$50.00 for procuring prizes to be awarded at the Fair.

It is observed that you state that live stock, grain, vegetables, sewing, etc. will be shown at the Fair.

You should instruct the field matron on the reserve to encourage the women and young girls to take an interest in exhibits of handicraft.

Your obedient servant,

Asst. Deputy and Secretary.
