

NOTES RE BANK OF CANADA

(Laying of Corner-stone of B. of C. Building,
4.30 p.m. - Sat. Aug. 10, 1937).

Appreciation of Invitation -

Thanks to Governor, deputy-Governor and Directors;

Thanks also for beautiful souvenir of event - (golden) trowel;

Widespread interest in event indicated by size, and representative
nature of gatherings;

Beautification of Capital:

Interest not confined to Bank of Canada, but to all concerned
with development and beautification of
Capital -

to Dominion and City governments,

to citizens of Ottawa as a whole;

Edifice, when completed, will be fine addition to public and
semi-public buildings of Capital;

Event coincides with visit of M. Greber, outstanding architect
and town planning authority;

M. Greber's visit serves to indicate determination of govern-
ment to do all in its power to beautify
and preserve the amenities of the Capital;
