

	PAGE
Belly River formation coals.....	80
Summary of tests of coals.....	82
Summary of coal resources, Belly River formation.....	84
Kootenay formation coals.....	85
Summary of tests of coals.....	94
Summary of coal resources, Kootenay formation.....	99

CHAPTER VII.

British Columbia.....	104
Introductory.....	104
Coal resources of British Columbia.....	105
Southern British Columbia.....	106
Summary of tests of coals.....	116
Summary of coal resources of southern British Columbia....	121
Central British Columbia.....	124
Summary of coal resources of central British Columbia....	128
Northern British Columbia.....	129
Summary of coal resources of northern British Columbia....	133
Coal-fields of Vancouver island, by C. H. Clapp.....	134
Recent analyses.....	138
Summary of tests of coals.....	139
Summary of coal resources of Vancouver island.....	142
Coal fields of Queen Charlotte islands, by C. H. Clapp.....	143
Summary of coal resources of Graham island.....	146

CHAPTER VIII.

Yukon, by D. D. Cairnes.....	147
Introductory.....	147
Coal-bearing formations.....	147
Character of the coal.....	149
Summary of coal resources of Yukon.....	151

CHAPTER IX.

North West Territories and Arctic islands.....	153
North West Territories.....	153
Fort Norman, Mackenzie river.....	153
Mackenzie delta.....	153
Summary of coal resources of North West Territories.....	154
Arctic islands.....	155
Carboniferous.....	155
Tertiary.....	156
Summary of coal resources of Arctic islands.....	158
INDEX.....	159
