For the past five years, the price of this book to subscribers had been \$3 and \$4.

As advertised in last year's issue, and in order to meet this large outlay to an already very expensive and tedious work to publish, the price of **Cherrier's Quebec City Directory** has now been raised to \$4.00 to ordinary subscribers, and \$5.00 to corporate bodies, &c., who, forming part of the Miscellaneous Directory, have, or will have in course of another year, in the pages of this work, illustrations of their buildings.

This is but a slight advance when the immense addition to cost is considered, and it is confidently believed that its patrons, rejoicing in this careful exhibit of Quebec's prosperity, will appreciate and prefer our painstaking and thorough work at the advanced prices.

Attention is earnestly called to the new map showing the latest improvements.

The Publisher,

A. B. CHERRIER.

N. B.—Believing that a reliable Directory is of more practical benefit than even the local census, we consider it would be for the good of the general public if a law were enacted making it a misdemeanor for any one to reuse his name for the Directory.
