#### R. C. TODD. Perald Dainter, No. 16, St. NICHOLAS STREET. HEADACHE.

**IRE AD ACTIES**. **DR. E. SPOHN, a German physician of** much note, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEAD-ACHE, has the satisfaction to make known, that he has a remedy which hy removing the gausse cures effectually and permanently this distressing complaint. There are many fami-ties who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and la-bouring under distress which they might not only all eviate, but actually eradicate by the use of his remedy. It is the result of scientific thesarch, and is entirely of adifferent charac-ter from advertised pattent medicine, and is not uppleasent to the taste. To be had of 1.1 SIMS.

# ter from advertised parket. To be had of uppleasent to the taste. To be had of I. J. SIMS, MUSSON & SAVAGE, BEGG & URQUHART.

Sept. 1839.

Ref. 1938 PILES, DROFSY, SWILLINGS, ALL SORES, KHEUMATISM. It is abso-tedly assetted on the most positive proof that the above complaints are arrested and cared by the timely use of Hay's Liniment. It is impossible to fuel good in this paper to present those proofs which are conclusive and convin-sing. They may be seen at length as below. The true atticle has a splendid engraved wrappet with agents' and proprietor's name, and may be had of I.1 SIMS.

# MORISON'S UNIVERSAL MEDICINE.

NOTICE. THE Subscribers, general agents for Mo-rison's Pills, have appointed William Whittaker, Sub-Agent for the Upper Town, No. 27, St. John Street. LEGGE & CO.

LEGGE & CO. That the public may be able to form some idea of Morison's Pills by their great con-sumption, the following calculation was made by Mr. Wing, Clerk to the Stamp Office, Somerset House, in a period of six years, part only of the time that Morison's Pills have been before the public, but enamber of stamps delivered for that medicine amounted to three million, nice hundred and one then

to three million, nine hundred and one thou

sand. The object in placing the forecoing power-ful argument in favour of Mr. Morison's gys.em, and to which the public attention is directed, namely, that it was only by trying an innecensus purgative modeline to such an extend that the truth of the Hygeian sys. Exceed that the thin of the Hygina sys-tem could possibly have been established. It is clear that all the medical men in Eng-land, or the world, put together, have not tried asystem of regetable purgation to the extend and in manner prescribed by the Hy-geists. How, therefore, can they much less addivideable how any thing about the extend geists. eists. How, therefore, can they (much less dividually) know any thing about the extent of its pro
