MISSION AT ST. MICHAEL'S.

The mission at St. Michael's Cathedral, in charge of Rev. Father O'Bryan, S.J., and Rev. Father Devlin, S.J., opened on Sunday morning. His Grace the Archbishop presided at the throne and the celebrant of the Mass was Rev. Father Kohler, with Rev. Fathers Murray and Ryan as deacon and sub-deacon. The Mass sung by the choir was Plain Chant with an "Ave Verum" by Gounod at the Oratory. Rev. Father O'Bryan delivered the opening sermon and announced the order of the exercises. The Mission is to last two weeks, the first of which is to be exclusively for the women of the parish and the second week for the men. The first mass each day is at 5.30, followed by a fifteen minute instruction, and the last mass is at 8.30, also followed by instruction. Each afternoon the "Way of the Cross" is performed at 3.30 for the purpose of asking God to send a special blessing upon the parish during the time of the Mission. Father O'Bryan, who is well known in Toronto, having assisted at past missions both at the Cathedral and at St. Paul's, in his opening remarks, said he did not intend to preach a sermon; what he had to say were simply remarks intended to pre-dispose his listeners to enter into the spirit of the retreat about to commence with the requisite dispositions. In the practical address that followed all were urged to help one another. The men were asked to assist the women in attending the exercises of this week, and the women were asked to assist the men during the week following; any who know of indifferent members of the congregation are to try by kindly assistance to induce attendance at the Mission. Amongst other things the "diabolical habit of criticism" which is doing so much injury amongst the young men and women of the day was warmly censured by the speaker. The fact, too, that ignorance not only in regard to details, but to Dogma itself, is more common than it ought to be, was pointed out. This, too, despite the churches, conventual institutions and schools everywhere rising round us (it may seem fatuous to say this, but it is true), we are apt to accept too much without enquiry and to look upon material progress as a proof of that, of which only the light of the right spirit within, may be accepted as the true sign. If Catholics rightly understood and appreciated their religion they would regard it as that possession of which they had most reason to be proud; added together might not compare. The pre-dispositions necessary for the proper reception of the benefits of the Mission, were gratitude, generosity and a prayerful spirit these present, the rest is assured. A class for confirmation, to be given by the Archbishop on the closing day of the Mission, is now formed at the Cathedral. Adults and children desiring to be confirmed are invited to give in their names. Father O'Bryan spoke with all his well-known vigor and eloquence and the results of the work now in progress under the guidance of himself and Rev. Father Devlin are expected to be many and great.

REV. FATHER LABOUREAU MUCH BETTER.

The many who know Father Laboureau either personally or through his work in connection with the Memorial Church at Penetanguishene, will be glad to hear that he is recovering rapidly from the stroke which attacked him some time ago. He can now walk fairly well and the benefits of his enforced rest are seen in his general appearance. Rev. Father Laboureau expects to remain at St. Michael's Hospital for two or three weeks longer, after which he hopes to be again his old self and able to resume work.

THE FORTY HOURS.

The beautiful devotion of the "Forty Hours" is still in progress. At St. Peter's church they were inaugurated at High Mass on Sunday, and on the same date they were opened at the Church of St. Leo, Mimico. The devotion will take place at the Church of the Holy Family at the end of this week, beginning on Friday and closing on Sunday.

CATHOLIC FORESTERS, ST. HELEN'S COURT.

Much edification was given at the 8 o'clock Mass at St. Helen's on Sunday last, when the members of St. Helen's Court, Catholic Order of Foresters, approached Holy Communion. They made one of the largest and most representative bodies of men seen in the church for some time, and many favorable comments were made upon the orderly and devout appearance they presented.

FEAST OF THE ANNUNCIATION.

The solemnity of the Feast of the Annunciation will be solemnized throughout the diocese on Sunday next.

DEATH OF MRS. SHEA.

An old resident of the west end, Mrs. Shea, was buried from St. Helen's Church on Friday last. The deceased was a native of Ireland, but had spent the greater part of life in St. Helen's Parish. She was twice married and is survived by her husband, Mr. John Shea, and three sons, John Donohue and Michael and John Shea. R.I.P.

DEATH OF MRS. WM. RAY.

The death of Mrs. Wm. Ray, which occurred at her late residence, 34 Grange avenue, on Sunday, April 10th, is regretted by a large circle of friends by whom she was both loved and admired. Typhoid fever developing into pernicious anaemia of nineteen months' standing, was the cause of death.

Mrs. Ray, whose maiden name was Elizabeth Forbes, was the daughter of Major Forbes, R.A. and wife of Mr. Wm. Ray, an ex-servant of our schools in Toronto, whose services on the Separate School board during ten years made him known throughout the city. Mrs. Ray was born in Tobago, West Indies, and was a sister of Mr. James Stratton Forbes of Toronto, and of Mrs. Galavan of Cleveland. During her long illness the deceased lady evinced a sweetness and patience that evoked admiration and edified all with whom she came in contact. She was assiduously attended by Rev. Father Hayden, C.S.S.R., and died fortified by the rites of the Church of which she was so earnest and practical a member. Mrs. Ray was attended during her illness by her niece, Miss Jennie Perkins, of Winnipeg. This young lady, who was a soloist in St. Mary's Cathedral, Winnipeg, gave up her position, thereby sacrificing her prospects, to devote herself to her aunt, Mrs. Ray, to whom she proved herself the gentlest and most efficient of nurses, and her presence in the house during the long and trying time was a source of the greatest consolation. Surrounded by beautiful flowers—things she had loved in life—the Easter lilies speaking of the promised resurrection, and with the badge of the Sacred Heart lying upon her breast, Mrs. Ray appeared as peaceful as those already in possession of the happiness of the great beyond. The funeral took place from St. Patrick's Church on Wednesday morning at 9 o'clock, thence to St. Michael's Cemetery. The Catholic Register joins the large number throughout the city who tender to Mr. Ray their sincerest sympathy. May she rest in peace.

Defer not charities till death; for certainly, if a man weigh rightly, he that doth so is rather liberal of another man's than his own.

The Archbishop said a few kindly words to, or rather of, the relatives, many of whom were present. Those who had just entered the religious life were reminded that though they had taken upon themselves new ties that the old still remained and that those who had made the sacrifice of relinquishing them were not to be forgotten. Mass was then said, there being present in the sanctuary besides the Archbishop Rev. T. Sullivan of Thorold and Rev. J. Sullivan of Emmetsburg, uncle of Sister Gertrude, and Very Rev. Father Marjion, C.S.S.B., Rev. Father Canning, and Rev. Father Cherrier, C.S.S.B.; the Mass was served by James Sullivan, a brother of Sister Gertrude. Besides the relatives mentioned there were also present Captain P. Sullivan and Mrs. Sullivan, father and mother, and other members of the family of Sister Gertrude. Many in Toronto will be interested to learn that Sister Gertrude is a niece of the late Sister Nativity of the Community of St. Joseph, one of the best known and loved of its teachers.

Preparations for changes in choirs—St. Mary's Golden Jubilee—Annual Tea of Benevolent Society—New Branch of A.O.H.—Successful Easter Services—A fine portrait of Bishop Farrell—Other notes of general interest.

(Special to The Catholic Register.)

Hamilton, Ont., April 14.—In accordance with the recent instructions of His Holiness Pope Pius X., females in the church choirs and figured music in the Catholic places of worship in Hamilton will be dispensed with as soon as conditions will permit and a return made to the primitive form of church music—change most readily in comparison with the present style of church music. The purpose of his holiness to reform the music going back substantially to the Gregorian music or chant, the simple, solemn and only semi-musical form which has been more or less in use in the Catholic Church for over 1,000 years, has been well received by all the clergy and people of the Catholic congregations here. It is admitted that there will be some difficulty getting full male choirs immediately, but as there is no set time for the enforcement of the Pope's regulations there is no need of a great hurry. St. Mary's Cathedral here, of which Rev. Father Mahoney is rector, will probably be the first to make the change, eliminating the females from the choir and taking up the Gregorian chant. A class is being trained for the same. St. Patrick's, St. Lawrence's and St. Joseph's churches will follow suit only it is likely the changes will be made one at a time.

In a recent conversation one of the Paulist Fathers said that he believed the church of St. Paul the Apostle, New York, was the only one on the continent which had carried out the instructions of the Holy Father. For thirty years the Gregorian chant has been used for the "proper," the variable parts and the "common" of the mass. The same priest declares that the music rendered in some church choirs is oftentimes more fit for a circus. He thinks the change will tend to keep envy out of the choir and distraction out of the people.

One of the local clergy declares that it takes time and talent to learn the music but that once the people become more acquainted with it they will like it better. It is understood a commission of experts will pass judgment on any music before it is played or sung in the choirs.

ST. MARY'S GOLDEN JUBILEE.

An event that is already being looked forward to with interest although a long ways off, is the celebration of the Golden Jubilee of the erection and dedication of St. Mary's Cathedral, which will take place two years from next month. The thing that is keeping it so much in view is the fact that the congregation will be expected to raise about \$10,000, the balance of the church mortgage, which the rector recently announced must be paid before the Golden Jubilee.

The main altar of the Cathedral is one of the most beautiful and artistic in any Catholic church in Canada. When tastefully decorated and lighted with the numerous colored electric lights it presents a beautiful appearance and strikes one as most in keeping with the house of God. It will be necessary to build another one in its place, of marble or stone, before the jubilee, as an altar built of wood cannot be consecrated. The proposed new altar will likely be built of marble and cost between \$2,000 and \$3,000. The congregation in raising these amounts and giving to the other charities will have work a plenty.

ST. MARY'S BENEVOLENT SOCIETY.

The annual tea of the St. Mary's Ladies' Benevolent Society took place last week in the parish hall and was one of the most enjoyable and successful affairs held there in a long time. During the afternoon the ladies received and entertained the officers of the other Catholic societies. Among other visitors were their Lordships Bishops Dowling, Hamilton, and McEvey London, and Fathers Mahoney, O'Hanley, Ferguson and other city clergy. Bishop McEvey was a most welcome visitor for more reasons than one, he having been chaplain of the society while rector here.

The annual report showed the society to be in a flourishing condition and was read by Miss Walsh. Their Lordships spoke briefly eulogizing the good work, and Miss Cummins and Miss Grace Preshall contributed to the programme. The officers are: President, Mrs. Charles Carroll; vice-president, Mrs. Walter Long; treasurer, Mrs. Keating; secretary, Miss K. Walsh.

A.O.H. GROWING.

A new division known as No. 2 of the Ancient Order of Hibernians was organized here by W. J. Mulvale, Hamilton, County President, assisted by J. Nelligan, County President, Stratford. Others who assisted were T. O'Dowd, M. J. Curran, M. Foley and John O'Toole. The last named was master of ceremonies. The division started with thirty charter members. The officers elected were: President, John Phillips; Vice-President, Charles Dillon; Rec-Secy., John Nelson; Fin-Secy., James Keating; Treasurer, Thomas Warren.

THE EASTER SERVICES.

The solemn and impressive ceremonies in the Catholic churches in connection with Easter were most successful. They were very largely attended. Nearly everyone in each parish approached Holy Communion and performed their Easter duty. The Bishop had many nice things to say of his people for the way they observed Easter.

PORTRAIT OF BISHOP FARRELL.

A very fine life-size portrait in oils of the late Right Rev. Bishop Farrell, first Bishop of the Diocese of Hamilton and founder of the Sister of Loretto here and just been finished and placed in a prominent place in Loretto Ladies' Academy. It is from the brush of Mr. George Delfosse and is a gift from Mrs. Mount of Montreal, mother of Mrs. Egan of this city, and sister of the late Bishop. The artist is Mrs. Mount's nephew. Those who remember Bishop Farrell and have
