

## Don't Chide the Children.

Don't scold the little ones if the bed is wet in the morning. It isn't the child's fault. It is suffering from a weakness of the kidneys and bladder, and weak kidneys need strengthening—that's all. You can't afford to risk delay. Neglect may entail a lifetime of suffering and misery.

### DOAN'S KIDNEY PILLS

strengthen the kidneys and bladder, then all trouble is at an end.

Mrs. E. Kidner, a London, Ont., mother, living at 499 Gray St., says:

"My little daughter, six years old, has had weak kidneys since birth. Last February I got a box of Doan's Kidney Pills at Strong's drug store. Since taking them she has had no more kidney trouble of any kind. I gladly make this statement because of the benefit my child has received from this medicine."

### GOSSIP.

Messrs. D. C. Flatt & Son, Millgrove, Ont., write: "On April 16th we had eighty-one head of Yorkshires leave Glasgow, Scotland, for Quebec. This is not only the largest, but the best selection ever imported by us. The whole lot will be sold on June 15th at Hamilton, Ont. Parties wanting show or breeding stock of the best blood and from the leading herds in England and Scotland will be able to get from this lot what they require."

A. E. Hoskin, Cobourg, Ont., reports that he has sold to Mr. Dougald Ross, Streetsville, through his advertisement in the "Farmer's Advocate," the Short-horn bull, Count Amaranth 2nd (imp. in dam), sired by Count Amaranth (imp.), dam Nonpareil 34th (imp.). Mr. Hoskin reports this bull to be a producer of choice stock. Also the young bull, Nonpareil Chief, by Republican (imp.), and from same dam as above, to Henry Barr, Douglas, Ont.

Messrs. C. & J. Carruthers, Cobourg, Ont., advertising Barred Rock eggs for hatching, write: "The pens from which we were offering these eggs are birds of good size, having good shape and quality combined, and are very distinctly barred to the skin. They are headed by two fine cocks, one bred by E. B. Thompson, N. Y., perhaps one of the best breeders in America to-day. He is a most handsome bird, as his plumage is of uniform barring throughout, and is just about perfect in shape, and has fine yellow legs and beak. The other bird is of a little lighter color, but is perfect in shape, and will mate well with the hens he is with to get good-colored pullets."

Isleigh Grange Farm, Danville, P. Q., writes: "Please change our advertisement as the three stock bulls offered are now sold, and we think anyone wanting to improve their stock will make no mistake in writing us for prices on bull calves, as we have 110 cows milking, and any cows not capable of giving 8,000 lbs. milk in a year, their calves are killed, and we think if every Ayrshire breeder would adopt the same principle, the time is not far distant when the Ayrshire would be far ahead of all other breeds as a profitable dairy cow, but as long as people will raise every calf, when it has no other redeeming qualities but a certificate of registration, and sell this calf to some farmer that is trying to improve his herd, and only meets with disappointment, the Ayrshires will never get to the position which rightly belongs to them at this pace, without a rival."

Mr. Wm. Thorn, Lynedoch, Ont., writes: "I still have on hand some very choice Ayrshire bulls for sale, fit to head any herd, at very low prices, considering their quality; will guarantee them as described. I have sold in the past month two fine cows to J. S. Shantz, Hespeler; one bull and two-year-old heifer to O. M. Doan, Shanty Bay; one heifer to Geo. H. Gore, Dorchester Bridge, Quebec; one bull to E. A. McKee, Listowel. Have received letters from my customers expressing their greatest satisfaction with the stock they got, which proves the quality of the stock I am advertising. Thanks to the "Farmer's Advocate" for my success in sales."

Mr. Alex. Hume, of Menie, Ont., the well-known breeder of Ayrshire cattle, has nearly 60 head now in his herd with two grand imported bulls at the head, viz., Prince of Barcheskie and Lessness-ock Royal Star, the latter winner of first as a yearling in Toronto, 1903, in very hot competition. He also headed the young herd that won first at the same exhibition. Mr. Hume has several real good young things for sale from heavy-milking, large-teated dams, by Prince Barcheskie, and noticeable among this lot is an August, 1902, bull, second winner at Toronto, sired by Prince of Barcheskie, dam Little Love 4th, twice a winner at Toronto. This is a choice young bull that will be a snap for someone. This herd has turned out possibly as many home-bred prizewinners as any other in Canada, which is a sufficient guarantee as to their quality. The farm is situated a short distance from Hoard's Station, Belleville and Peterboro branch, G. T. R.
