THE PRICE OF WHEAT

This Fall will make it possible for you to in-
stall a **CHICAGO AERMOTOR OUTFIT**,
even though you had previously decided you
would be unable to do so. By this time next
year the mill will in turn have paid for itself.
Prove this yourself by figuring up the time you
now lose in drawing your grain to and from the
grist mill, the charges you pay, the time lost in
pumping water, and the strength you squander
which is required all too badly for other
things. Then let us send you a copy of our
Windmill Book, and tell you what a complete
outfit will cost set up and running.
