satisfied. The two little fishermen who set forth drank rum." this morning, certainly had no idea of coming " But men that drink water." said Frederick. back without their share of the fishes, that lived in Cove Bay. On they trudged, out over the beasts ?" little sandy isthmus, to the place where old Mr. " Cause they won't" said Charles. I remem-Rike, the fisherman, had told them fish could alber the story of the minister who preached a temways he found. " who were thankful to get a perance sermon, and to pay him for it his people tints made use of in decorating the inside of the bait to abbie at, even if they had to go into a sent him two gallons of whiskey; and as he didn't want it himself, he poured it into the ing coloring was not suited to their complexions frying pan to pay for it. Whether the fish had managed to get a breakfast on this particular trought for his horse. But the horse just would't so well as the more subdued shades. Moreover touch it; neither would the cow, nor even the God has given us health that we may enjoy the morning, of not, I cannot say; I only know that hogs, who thought there was something good blessings He sends, and depend upon it that the tempting bait went untouched for such a long for them ; but no sooner had they put their snouts where a lady gardener resides, it is there where time, that Willie's patience was at last quite gone, and Jimmie's was going faster and faster in than they ran off, and the minister poured it a physician's carriage seldom stops. every minute. Toward noon the sky became back in the demijotn, and sent it back, saying. overcast and the air to be very still, as it some what neither horse, nor cow, nor hogs would times is when a storm is coming on. ouch, could not surely be good for men." After the boys had talked off their impatient "But come Fred," said Robie, " tell us how over the luncheon basket, they concluded the um killed old Sidney, if he didn't drink it." would make one more good trial, and then, if " But didn't he drink it? What made him run the fishes were still obstinate, they would start up and down the street so yesterday, and finally for home. So out were swung the long lines inrun the waggon against a post, and throw old to the deep water again, while the two boys Triest out, if he did not drink rum ?" watched eagerly for any signs of a "bite." " O ! Mr. Triest was drunk ! everybody sa "There, I've got a nibble," said Will; and in tools are in order. He lends, but not to every an instant he had landed a fine fish on the sand. it was a shame. And when he couldn't stop him, or keep his seat, be laid down in the waggon, and then old Sidney ran against the post. But did a man does not want to have a thing destroyed. State of the seat o Very soon both lines were hard at work bring ing in one hungry fish after another, until in the excitement, everything beside was forgotten. that kill Sidney ?" They certainly had forgotten to look out from "Yes, Robie, that killed him ; and thus it was under the broad hat brims at the fast gathering that rum killed him-not rum that he drank' but Bad neighbours at the best are a pest, and the rum that old Triest drank ; and so you see how less you have to do with them generally the betclouds, and it was not till the long summer twi light was fast fading into night that they thought rum kills a great many besides those who drink of winding up their lines and starting for home. it. It kills many wives and children ; and when "Well," said Jimmie, "we have got fish boys and young men drink it, it kills a great enough for one day. It's worth while to wait many parents. It kills a great many fine horses for such a nice lot as we have caught." "Yes," said While ; "I don't believe Mr. Rake ever did a better day's fishing when he was a boy, Obtaining Help in the Country. I guess we'll have to hurry home, though, for i The following scene actually took place, as looks as if it was going to rain soon." escribed, only a short time, since, at a Congre-"Yes," said Jimmie, " we must hurry and get rational parsonage in Essex county, Mass. : over the neck before the water rises, for you SCENE.—A parlor five miles from Newburyport, Brid-get seated in the easy chair. know Mr. Rake said the water sometimes rose (Enter the lady of the house.) over it.
