Branius of Mennegan.

Che family. The House at the Foot of the Hill.

BT MRS. ELLEN M. H. GATES. Oh ! the music and mirth that there used

In the house at the foot of the hill ! The laughter, and frolic, and fun, ah me How my hearts leaps up and my pulses thrill, Whenever I look at the vanishing track Of the sunny old days that will never come ha To the house at the foot of the hill.

It was morting then, and the glorious east Its banners of crimson and gold Waved close in their faces, and ever

Such light on each wonderful fold, That with visions of beauty and dreams of de light

Those young hearts were throbbing from morn ing to night In the house at the foot of the hill.

aid it was morning, but now it is noon, It was early, but now it is late ; As travelling slow in my pilgrim shoon

For a moment I listen and wait. But those happy young faces, from window

Will smile me a welcome, alas, nevermore To the house at the foot of the hill.

Those four pleasant aisters. sleep

On their pillows unruff ed by pain ; Their music-the breezes which over them sweep,

And the soft lullaby of the rain, While a little way off, scarce a stone's throw away.

So lonely and silent, with years growing gray, Stands the house at the foot of the hill.

Around it, as loudly and glad as of old Will robins and orioles sing, And in the green dooryard bright flow unfold

At the first gentle whisper of spring ; Where the girls gathered roses to twine in the

The old bush its sweet censers will sing in the

By the house at the foot of the hill.

O the lonely old house ! where the parents still

And walk through each desolate room, And watch from the windows early and late For the children that never will come, While in the bright mansions unbuild

hands, Where the beautiful city eternally stands, Their children are loving them still.

derably larger. If you could get him to tell just would not like to say so in words, for it sounds pretty good index of the moral culture of a peo precisely what he thinks, I do not doubt you egotistical, but ' really if it was self-denial to ple. A team stuck in the moral culture of a peosixteen or twenty or thereabouts. You may tous Yes ?' Because she loved you, and expect- per of the driver, show that " there is somesixteen or twenty or thereabouts. You may think I am judging him harshly. But it is not so. Some things stick out, like a lobster's eyes, so plainly that nobody can help seeing them. So you can often find by certain little things, which are great tell-tales, what Tommy and other little folks think and feel. Now, then, let us see how Tommy acts. We your heart away, and treat her as abe has been ill compare thet is is at the to the tothe to the to the to the tothe to t

will suppose that it is at the tea table we are treated hitherto. Gardeners, in transplanting will suppose that it is at the tea table we are sitting. A friend or two has dropped in socially to tea, and we are among them. As soon as the blessing is asked, and the dishes begin to be served, Master Tommy opens his batteries of reserved artillery of speech. "Father, who was that man you met at the corner, and stopped to though held in the arms, and loved never so forms us that last spring and summer he made the following experiment: "He transplanted ten that man you met at the corner, and stopped to talk with ? Is he the man that keeps the car-penter shop on Cherry street ? That man makes such splendid sleds ! I wish I had one ! O, by the way, Charlie Stork fell off his sled and cut which made her light-hearted and gay. The cherry trees while in blossom; commencing at four o'clock in the afternoon, and transplan his face right here in the cheek ! Look, father, husband wonders at the change, suspects she one each hour, until one in the morning. These transplanted during daylight shed their blossome look !" "Yes, Tommy ; keep quiet ; don't does not love as well as he, and, perhaps is talk so much." "Oh, mother, do you know moody over it, but, alas ! the real evil is unduring the darker portions maintained their con-

Times.

Mrs. Stork ?" " Yes, Tommy, but you must known to either party. See to it that you make stop your talking, or I'll have to send you away not shipwreck here. Pow Lors Same from the table." In the meantime, while all this "She had a name unsolled before she became Those transplanted during the day abed their

juvenile clatter has been going on in a high tone, nobody else, not even one of the guests, or of the parents, has had a chance to say a word, be-cause the field is occupied by this young sprig of realise mathematic and have been attentions and happiness from others before she knew your love. Yours is here they all the parents have been the here the second before the s a talker, who hasn't been taught " manners" have been melled to sweetness before they ad-enough to hold his tongue when older folks are dressed her. No pains have been spared to pro-

present. Why desen't he do it ? Why, he thinks he has assumed the cares, pains, and respon-is good as any body else, and why shouldn't he talk as well as the rest? Meanwhile, after the double parental reproof, he holds off for a minute and puta in the provisions before him. There has as any a breathing and, that also may good way a breathing and of the

There being now a breathing spell, one of the guests remarks that there is encouraging news ing with her mistakes, that are new great to day. And before the father has a chance to hide a matter from you. Be careful of her need, was sown in drills 14 inches aparts, and rolled. As soon as the seed was ap, the bed was sowed with, "What is it, father ? Has there been a fulness. Is there too much self-sacrifice in all over with one bushel of a mixture of 2-3 hen battle ? Where was it ? Was it a big battle ? The father, thinking it not right to repress the love your wives, even as Christ also loved the pested three times during the early part of the desire for information in an inquiring mind, stops church and gave himself for it." Again, Let season. The issions store carefully locd and to tell all about it to the son and heir ; and the every one of you in particular so love his wife weeded, and when as large as one's thumb, they guests get a slight opportunity to talk with each even as himself. Thus living, your peace, lave were thinned to two inches in the row. There ther and set conversation agoing. The father and joy shall be as a river, broader and desper suit was 30 bashels of large onlone, equal to sonelades his explanations by again requesting as you together journey towards the ocean of about 1,000 bushels to the acre. _ Agriculturis his son to " Now be quiet. eternity."

Soon, however, a lull occurs in the chatting,

and this young oyster is out of his shell once more, and must this time be suppressed by the maternal authority. And so it is all through the more, and must this time be suppressed by the material authority. And so it is all through the evening meal. It is a conflict between the boy's and innocent, laughing and crowing at itself as I have found the roots of clover and herdagrees evening meal. It is a conflict between the boy's love of talk and bad manners, and the desire of the parents to entertain the guests. The latter have often to stop and wait till the loud voice of the juvenile (which even breaks in when they are in the midst of a sentence, interrupting then are in the midst of a sentence, interrupting then and putting them down,) has had its say and Afterward it was the face of the young maiden, the whole trunk of the tree. I have often found and putting them down,) has had its say and silenced itself. No grown person would be so impolite : but this youth imagines himself to be a full-grown man, and doesn't care for, if he hair, and putting on her golden ornaments, and adorning herself for the syse of those whom she CLEAN YOUR CELLARS,—If not already done, be a fall-grown man, and doesn't care for, if he knows, what is due out of common respect to others, and especially to atrangers. It is the same way after the party get up stairs, and all during the evening. Indeed, it is the same thing whereafter Master Indeed, it is the same thing whereafter Master

Indeed, it is the same thing whereafter shaster Thomas Speke is present, whether among old or young. He is not troubled with bashfulness. He is not afraid of old people. He would not eternal home. He is not afraid of old people. He would not know the difference between black hairs and grayones. He has forgotten, if he has ever got-ten, the fifth commandment. His tongue has begun at a vere early age to be an unruly mem-ber, and it is advancing in the way quite rapidly. Poor obild, he does not know any better ! There is a certain passage in Mark which

There is a certain passage in Mark which Christian mastyn. speaks of a "oolt tied." There is a full sermon

appeaks of a " colt field." There is a full sermon in that word " tield," if we only heed it. Now tell me, do you think we have just rea-som for believing that Tommy counts his years twenty, instead of eleven ? But I do not ima-gine that it is all the boy's fault. His parents think he is smart of his age. Whose boy is rot, remarkably so ? Hence, they like to hear him talk. They are willing to show him of a

ITS THREE METHODS OF APPLICATION.

Bither of which for the allments and diseases prescribed, will afford immediate relief, and consequent cure.

RUBBING THE SPINE.

This method of application should be resort- | times per day. In many instances the most ed to in all cases of SPINAL AFFECTIONS, OR Severe and agonizing pains will eease during W BAKN BSS. BUBUMATIAN, NERVOUSSES, the process of the FIRST RUBBLNG. Its con-NUMALOIA, LEMBAGO, SPASMS, SCIATICA, tinued use a few times will cure the patient of Gour, Paralysis, Numbuess, Discusses of the Sidneys, Bladder, Ureths, Difficulty of Pas-

sing Water, Pain in the Small of the Back, Cramps and Spasms, PAIN in the Hips, Back named complaints, should not bestate a moand Thighs, Weakness and Lameness in the ment to apply the Ready Bellef, as directed. Back or Legs. It will surely cure.

And in all Female Complaints, such as Let The Rubbing should be continued until a and in all remains the sense of heat and irritation or burning is ex-sense of heat and irritation or burning is ex-perienced. If you succeed in securing this rice, Headache, &c., &c. action on the skin and back, you may feel per-In these cases, the entire length of the Spine fectly satisfied of a cure-it is a sure sign. should be rubbed for 10 or 20 minutes, three

SECOND METHOD OF APPLICATION:

APPLIED EXTERNALLY.

By Rabbing the part or parts of the body where the disease or pain is seated, with the Ready Raite. In almost five ease of one hundred the with the Role.
