THE SEMI-TONTINE RETURN PREMIUM PLAN

Provides that should death occur prior to the
 expiration of the Tontine period, the whole of
 the premiums that may have been paid will be
 payable with, and in addition to, the face
 of the policy—thus securing a dividend of
 100 per cent. on the premiums paid, should death
 occur during said period.

THE COMMERCIAL PLAN.

The large number of business and professional
 men who have taken out large policies on the
 Company's Commercial Plan, show the demand
 for reliable life insurance relieved of much of
 the investment elements which constitutes the
 over payments of the ordinary plans, is not
 confined to men of small incomes, but exists
 among all classes of our people.

 of obtaining pure milk of a suitable and uniform
 quality.
