Buy a War Bond

Lloyd-George is right. The "Silver Bullets" are beginning to count. For the next few weeks there will be a general fusillade from all parts of Canada.

The privilege is yours of making a first-class investment while your money is working for the boys at the front. By another stroke of the pen you can deposit the interest coupons with The Manufacturers Life and purchase insurance that is ever increasing in value. Thus, while the principal is working for the nation, the interest is working for the home, and in this way you render both impregnable. The nation's interest is paramount. Buy to-day.

A SPECIAL SERVICE

Many men and women reluctantly assume the duties of Treasurer or Trustee of Charitable, Social, Fraternal, Educational, Religious or Civic organizations. The duties while responsible, may not require the full time of a salaried official. There are many advantages in the employment of a Trust Company in such cases: it is permanent, experienced, and responsible; it has unusual facilities for supervision and audit and for the safeguarding of books of record, documents and funds.

Consult us about the many phases of this Special Service.
