# INCOME TAX BILL INTRODUCED BY MINISTER OF FINANCE

### Canada's Wealth to Contribute Full Share in Prosecution of the War.

A despatch from Ottawa says:—The wealth of Canada will be made to contribute its full share toward the cost of carrying on the war. In the Commons Sir Thomas White introduced his income tax proposals and the extent of the toll to be taken of the incomes of the rich met with decided approval from both sides of the House. The Finance Minister proposes to exempt the incomes of single men and widowers without children up to \$2,000, and all other persons up to \$3,000.

**Income Tax and How it Works Out.**  
Four per cent. upon incomes exceeding \$2,000 per annum in the case of unmarried men or widowers without children.  
The same tax on incomes exceeding \$3,000 in the case of other persons.  
In addition the following super-tax is to be imposed:  
Where income exceeds \$6,000 and does not exceed \$10,000, 2 per cent.  
Where income exceeds \$10,000 and does not exceed 20,000, 5 per cent.

Where income exceeds \$20,000 and does not exceed \$30,000, 8 per cent.  
Where income exceeds \$30,000 and does not exceed \$50,000, 10 per cent.  
Where income exceeds \$50,000 and does not exceed \$100,000, 15 per cent.  
Where income exceeds \$100,000, 25 per cent.  
A tax of 4 per cent. on incomes exceeding \$3,000 in the case of corporations or joint stock companies.  
The plan will work out as follows:

Income.	Unmarried.	Married.
\$ 4,000	\$ 80	\$ 40
5,000	120	80
7,000	220	180

30,000	2,500	2,460

# WAR COSTS CANADA \$850,000 A DAY

### Statement Showing Financial Burden Assumed by the Dominion.

A despatch from Ottawa says:—Canada's war expenditure both in the Dominion and overseas now amounts to over \$850,000 a day. This statement of the extent of the tremendous financial burden the nation is assuming, in carrying on her part in the great struggle, was given in the Commons by Sir Thomas White. The Finance Minister gave the figures to the House in explaining the necessity for the new income taxation. From the beginning of April to July 20th war expenditure in Canada amounted to \$39,700,000, and estimated expenditure elsewhere, including France, during the same period, was \$52,600,000, or a total of \$92,300,000. Taking that total as a rough basis Sir Thomas estimated the daily war outlay now at \$850,000 to \$900,000.

# CANADA OBTAINS \$100,000,000 LOAN

A despatch from New York says:—J. P. Morgan & Company announced that arrangements had been perfected for the flotation of a \$100,000,000 loan of the Government of the Dominion of Canada, which will be offered to the American public upon a basis to yield approximately 6 per cent. The loan will be unsecured, and it will run for two years. The loan to Canada will be the first foreign Government transaction that has been undertaken since America's entrance into the European war.

# FRENCH AND ITALIAN SHIP LOSSES LIGHT

A despatch from Paris says:—During the week ending midnight July 22 not a single French vessel either over or under 1,600 tons was lost, according to the official statement. Six French merchantmen were attacked unsuccessfully during that time by submarines. Ships of all nationalities, numbering 1,063, entered port and 937 departed.

A despatch from Rome says:—Two Italian steamers were sunk and one small sailing vessel was damaged during the week ending midnight July 22, says an official announcement. Five hundred and ninety-three vessels, with a gross tonnage of 389,815, arrived, and 550 of a tonnage of 403,450 left port.

# LOANS BY BRITAIN TO HER WAR ALLIES

A despatch from London says:—Bonar Law has made a statement in the House of Commons in regard to loans to the allies and the dominions. The total advances to the allies are \$1,025,000,000 in addition to \$146,000,000 loaned to the dominions, the total being \$1,171,000,000.

# RUSS TRAITORS PUT TO DEATH

### Capital Punishment to be Meted Out to Seditious Troops.

A despatch from London says:—The Russian Government's policy of "Blood and Iron" is to be carried out along lines which bode ill for the seditious troops along the Eastern front and those persons within the country who are trying to nullify the good work that has followed in the wake of the revolution.  
Capital punishment, abolished with the advent of the new Government, again has been put into force on the demand of the military commanders at the front, who will now be able to assemble field courts-martial and put to death summarily traitors in the army. Gen. Korniloff, commander of the forces in Galicia, whose disaffection and desertions have wrought havoc in the Russian morale, was the most insistent of the military chiefs in calling for a free hand to check the refractory troops, declaring that the death penalty was the only means of saving the army.

# FRENCH CAPTURE ENEMY TRENCHES

### German Losses Are Very Heavy in Aisne Region.

London, July 26.—Again the Germans have made a vicious thrust at the French line in the Aisne region of France, and again they have paid dearly in men killed or wounded for a slight gain. The attack was delivered over a front of two miles, from Hurtebise to La Rovelle, but only to the south of Ailles was the Crown Prince's army able to penetrate French first-line trenches. In Champagne the French have captured German trenches.

# PLACE NEW BRIDGE SPAN ON SEPTEMBER 12TH

A despatch from Quebec says:—The centre span of the Quebec bridge will be put in place on the morning of September 12. The event was planned to take place quietly without witnesses, but an engineer of the commission is supposed to have told the secret to a newspaper man this morning.

# SUBMARINE TOLL WAS 24 VESSELS

A despatch from London says:—Twenty-one British vessels of more than 1,600 tons each, and three of less than 1,600 tons each, were sunk last week by mines or submarines, according to the weekly Admiralty report on shipping losses. One fishing vessel was also lost.
