TERRIBLE SUFFERING OF AN OWEN SOUND CONTRAC-TOR AND BUILDER.

MR. WM. KRANTH, Owen Sou writes: "Having read some of the testi-monials of cures effected by Dr. Fowler's Extract of Wild Strawberry, I thought it advisable to say a word of praise for its

merits.

"When I reached the drug store I asked; the druggist for a quick remedy and laid behind the counter until relief came. The remedy I received from the druggist was Dr. Fowler's Extract of Wild Strawberry. Whenever, after that time, I felt cramps coming on, I found speedy relief in the above mentioned remedy, and I am now cured of this dreadful malady. The bottle its small, but its contents effect a marvel-lous cure. I can recommend it highly for the oure of cramps.

Dr. Fowler's Extract of Wild Strawberry has been on the market for 65 years. It is not a new and untried remedy. Ask for it and insist on getting what you ask for. Refuse substitutes. They're dangerous. Price 35 cts. Manufactured only by The T. Milburn Co., Limited, Toronto, Oct.

FREDERICTON, Sept. 18.-Fine wedther greeted the exhibition yesterday and there was a large attendance. The the evening, Altogether 6,756 passed through the turnstiles, of which number 5,300 entered before six o'clock. At that hour it looked as if the attendance would be a record breaker. The total attendance to date is 14,672 and is about 3,000 short of the like number of days last year. The heavy rain on Friday accounts for much of the falling off. The association feels that with fine weather the record of the last exhibition will be passed. There are several large excursions due this week and the attractions will be of the best. The St. John trains yesterday brought 700 people to the city and another special excursion from the sea-
