WILLIAM McMASTER,
CABINET-MAKER AND UPHOLSTERER,
136, NOTRE DAME STREET,

Begs to announce to the public of Montreal, that he has been appointed AGENT for Canada East, for the sale of that invaluable Renovator of Varnished or Polished articles, named

McCOMBIE'S COMPOUND RESTORATIVE,

lately discovered by Mr. McCOMBIE, of New York, and of which he is the sole Proprietor and Patentee.

The immense demand for the inestimable Composition throughout the United States, has made it difficult for the Proprietor to keep up the supply; and the Agent feels confident that a few trials of it in this quarter of the Continent will afford such satisfactory results, that the sale will be proportionably large.

It is sold in bottles, with directions for use, price 2s. 6d. for each Bottle, at WM. McMASTER'S Cabinet Warehouse, No. 136, Notre Dame Street.

A beautiful collection of NEW FURNITURE on hand at his Show Rooms.

GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparilles, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA.

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVOUS SYSTEM, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA; LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

The ony of MR. NATHAN MATHEWS, *a highly respectable and wealthy citizen of Newark, N. J.*

DR. G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I had already been given over by the Doctors, with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this dreadful situation, your Forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. Hopes of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my life was placed in such great danger, was also entirely gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than sixty years of age.

I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully,
N. MATHEWS.

Newark, Dec. 19, 1847.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9, 1848.

DR. HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years, and having adhered closely to the directions which accompany the Medicines, I have recovered my health, notwithstanding all who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse, notwithstanding all I could do. I was induced to purchase your Medicines, and was finally persuaded to persevere in the use of them, by the repeated solicitations of my friends, who had witnessed their good effects in a number of instances. I am now in the enjoyment of perfect health, and feel grateful for the benefit I have received from your Medicines.

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtues than fifty of the large bottles of Sarsaparilla. Messrs. W. E. Lennon & Co., the largest and most respectable Druggists in Syracuse, in a letter, say:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, is also a subscriber to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

☞ Seven hundred Certificates from Physicians, Clergymen, and individuals of known respectability, have been given, testifying to the great cures made by "*Dr. Halsey's Forest Wine and Pills*," among them is the cure of Mr. John Syms, of 325 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his case seated Consumption. A child of Mr. William Bogers, Broadway, New York, who had been dreadfully afflicted with Scrofula for four years standing, cured in less than six weeks time. Mary J. Brower, daughter of the Rev. James H. Brower, of Decease of the Heart and Incipient Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c., &c.

URQUHART'S

CONCENTRATED COMPOUND DECOCTION,
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
As ordered by the
Pharmacopeia of London College of Physicians.
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is considered by Physicians of the present day the very best remedy for re-establishing the constitution after it has undergone the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the Decoction of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy state of mind, and the palliation, or, in some cases, complete disappearance of various morbid symptoms, as Eruptions, Ulcerations, being of a Rheumatic character, &c., &c.

Dr. McCulloch, Campbell, McDonell, and Fraser, who have extensively used it in their practice, have kindly favored the Proprietor with the following Certificates:—

DR. ARCHD. URQUHART, Esq.:—DEAR SIR,—I have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from it.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects, I can, therefore, with confidence recommend it to the public generally, in addition as one possessing all the Medicinal qualities of the Compound Decoction of Sarsaparilla, and at the same time more unobjectionable, and not so derange the Stomach.

Your most obedient servant,
W. FRASER, M.D.,
Lecturer on Medical Jurisprudence, McGill College,
Montreal, 9th February, 1847.

MONTREAL, February 10th, 1847.

I beg to certify, that I have employed very extensively, the "Fluid Extract of Sarsaparilla," made by Mr. URQUHART, in all those cases in which that Medicine is usually prescribed, and that I have found it a most valuable preparation. I can, moreover, state, from personal experience, that in those cases in which that Medicine is used in the purest ingredients, and bestows the greatest care and attention upon the mode of preparing this remedy.

I am, &c.,
ARCHD. McDONNELL, M.D.,
Lecturer Institutes of Medicine, McGill College,
Physician to the Montreal General Hospital.

Mr. URQUHART'S Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients.
ARCHD. McDONNELL, M.D.,
Montreal, 10th February, 1847.

DEAR SIR,—I have frequently prescribed your Fluid Extract of Sarsaparilla, and I have no hesitation in recommending it as a very elegant and convenient form for administering that Medicine.

£100 REWARD.

WHEREAS some unprincipled individual or individuals have published a REPORT that SEVERAL HUNDRED CHESTS OF DAMAGED TEAS, had in their possession, and which they (the Public) were informed, had been purchased by me, and privately sold in this City; I, the undersigned, do hereby offer a REWARD of £100 to any person who will bring conviction to the author or authors of such report, so that he or they may be dealt with according to law, and intended to injure my reputation.

It is well known that I am about to close both the retail business of the Tea and Coffee Trade in Canada, that since the Custom House is the only establishment for the exclusive sale of Tea and Coffee in either the Upper or Lower Province, and, by not selling a farthing less, I have secured in the proud position which it now holds, notwithstanding the great amount of malicious opposition I have encountered from others; that I have never exposed the known fact of the utter impossibility of keeping Teas in a genuine condition where turpentine, codfish, oil, soap, gunpowder, candles, snuff, tobacco, &c., &c., are kept; but when my good name is so cruelly and wantonly assailed, as in this case, I cannot overlook it, and have only to say, that should this calumnious slander be persisted in, the Public may have a list of the names of the purchasers of the Damaged Teas, above referred to, which is now in my possession, as I again repeat, no man shall sport with my hard-earned reputation with impunity.

THE GENUINE BALM OF COLUMBIA FOR RESTORING THE HAIR.

"Long hair is a glory to woman," says Paul,
And all feel the truth of the pious quotation;
Preserve it then, ladies—your glory may fall,
Unless you procure it with this preparation

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or constitution, appears to be no obstacle whatever; it also causes the hair to flow with which the delicate hair tubes is filled, by which means thousands whose hair were gray as the Asiatic eagle have had their hair restored to its natural color by this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used.—A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a rich glossy appearance, and as a perfume for the toilet it is unequalled. It holds three times as much as other miscalled hair restoratives, and is more effectual.

☞ CAUTION.—Never buy it unless you find the name of Comstock & Co., Proprietors, on the wrapper of each bottle, or you are cheated with a counterfeit article.

Kind parent, keep it constantly on hand; by so doing exercise, and have only to say that you have found a friend in need, indeed. "DEATH'S DOOR."

How frequently do we hear this expression, which is meant to convey to the mind the last stage of sickness that a patient can be reduced to, and live. Mrs. Harrison, of Brooklyn, Long Island, was brought to "Death's door," by Rheumatism and Nervous Headache, when, like an angel of mercy, Radway's Ready Relief relieved her in seven minutes pains, and restored her to her friends in perfect health.

The very instant Radway's Ready Relief is applied, its healing virtues commence to operate, and will not cease until entirely cured. It instantly allays inflammations and swellings, relieves the most severe Neuralgic pains, cures in one minute the worst Toothache, and in twenty minutes cures Rheumatism, Lumbago, Gout, Paralysis, Sprains, Strains, Spasms, Stiff Neck, Weakness in the Side and Back, Sores of all kinds, Galls, Bruises, Chafes, Sore Throat, Influenza, Hoarseness, Coughs, Colds, &c.

TOOTH ACHE CURED IN ONE SECOND.

This torturing affection can be cured in an instant, for the moment the Relief touches the nerve, the pain is mitigated. So with Tic Doloreux and Hemicrania, Neuralgia and Sick Headache—bathe the parts where the pain is most severe, and in a few minutes you will be entirely relieved. Taken internally it will arrest the most violent Diarrhœa and Cramps, a teaspoonful or so, much oftener in all cases it will give strength for weakness, ease for pain, health for sickness. No Ready Relief is genuine unless signed by RADWAY & Co., 162, Fulton Street.

ELEGANT TOILET REQUISITES,

TO EMBELLISH AND ENHANCE THE CHARMS OF BEAUTY.

RADWAY'S MEDICATED SOAP.

Radway's Medicated Soap, so favorably known throughout the United States, for its wonderful effects in purifying, and soothing effects on the skin; while by its action on the pores and the minute secretory vessels it expels all impurities from the surface, and produces a healthy circulation, and effectually eradicates all redness, tan, pimples, spots, freckles, discolorations and other extraneous matter, leaving the skin of a beautiful transparency, with the softness and delicacy which is indicative of the health and mind, its capability of exciting irritation and roughness being entirely removed, it is indispensable to every toilet.

Gentlemen after shaving will find it allays all irritation and renders the roots of the skin, and renders it soft, smooth and pleasant.

MINERAL WATERS

OF
POINT DU JOUR, PARISH OF L'ASSOMPTION.

THESE truly valuable WATERS are distinguished for the large quantity of Bromine and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the description that have yet appeared. They can be used cold to the greatest degree in the most oppressive heat of Summer, and that without altering or affecting injuriously the health of the person using them; upon the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters, enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity, who have given their written recommendation of the Waters, are here given. RIVIERE DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I most inform you, that I have used them moderately at their Source, and have found them highly salubrious. I was at the time so affected by the consequences of a severe disease of the Digestive Organs that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under both of which I was suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, on leaving Montreal. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are instantly lost with syrups,—those even who have been using them have not been weakened or enervated in their constitution in consequence; upon the contrary, by using them in moderation, the appetite is restored, and their digestion rendered more regular. After a dose of 3 or 4 four glasses, I found that they had the effect of increasing the natural secretions at first, and then those of the urinary secretions of first, and then those of the urinary

In order to extend the benefits of these Waters to those who live at a distance, arrangements have been made to receive BOARDERS at the residence of whose moral character, acquirements, learning, and personal qualifications every attention will be given.

The Recipe, by which the Waters are Sold a Year, is one of the First Master at from £30 to £25.

The French Master, also, is prepared to take Boarders on the same terms.
