"THE LINE IS MORE VALUABLE THAN MY LIFE."
BOY'S MESSAGE.

Ottawa, April 25—In the comments this afternoon Sir Robert Borden, amidst applause, read a letter he has received from a Toronto boy, sixteen years of age, anxious to serve his country. The lad wrote: "My dad has been to the front now he is back again, and you have taken my brother and now I am the only one left to do something for my country. I don't call myself a hero but I might help to hold the Canadian line. So please, give me a chance; the line is more valuable than my life."

Referring to the letter Sir Robert said, "I am sure that letter does indeed express the spirit of the Canadian people and as long as that spirit endures I am confident it will always endure we need have no fear for the destiny of our country weather in this war or after the war."

At Davidson, Sask., 60 men went to the home of Henry Wilners, a German, and made him kiss the Union Jack and give \$100 to the Overseas Y. M. C. A. This man ordered his son home because the lad had enlisted in the Canadian army. These 60 loyal Canucks made old Wilners apologise to his son and kiss the flag.

The municipality of Lunenburg has generously voted \$20,000 to the new hospital which is to be built in Bridgewater. This with the town's \$20,000 and the \$20,000 given by the late J. K. Dawson ensures the going ahead of this much desired work

WILL RETURN TO FRONT
The men of the first contingent who are home on leave have been advised to mobilize at Halifax on May 1st, and will doubtless shortly be back again on the firing line.

Geo. E. Corbett, Annapolis Royal, has been appointed Superintendent of Registration of Nova Scotia. He will select the registrars for Nova Scotia to record the man and woman power of the Province.

THE BIG MOTHER OVERSEAS
