HOME FROM A VACATION TRIP.

C.G.R. Baggage Master R. R. Stevenson with his wife and two children has returned home from a holiday trip this little impromptu "farewell" and to Upper Musquodoboit, N. S., where he visited his grand mother Mrs. William Horton. He was also at Elder-bank N. S., where he spent a few days with his friend Mr. Joseph Grant.

Mr. Stevenson says everything looks fiue and properous thru the Musquo-He thinks the railway has been a very great benefit to Upper Musquodoboit and other section thru which it passes.

HUNS STILL RETREATING.

With the Freach Army in Franc Sept. 5. The Germans tonight are destroying bridges and flooding the country between Chauncy and Lafere, which is a good indication that they do not expect to remain much longer in advance of their old line, which ran from Lafere to Har-

Today their retreat continued in daylight east of the Aillette river and their columns suffered very hevy loss

es from shell fire.

Between the Ailette and the Aisne French troops advanced to a line from Margival to Quincy and Chiveres while to the north they occupied Cou cy Le Chateau and Coucy Le Ville approaching their old line of 1917 around the edge of the hilly wood reg ion of St. Gobain. There they will encounter the formidable defence workd the Germans prepared as part of the old Hindenburg position and which perhaps have been further strengthened since beginning their retreat.

THE KING OF ALL SWEET PEAS.

Eight Blossoms on One

Plant life presents its freaks as ell as does human life. Mrs. H. G. Kitchen picked from her sweet pea vines this morning a sturdy stem bearing eight fully developed blos t is not uncommon to find three and even four blossoms on a stem, but eight surpasses all records. These blossoms were grown from the tape seed, and are of a rich, dark red color tinged with violet. -Frederiction Gleaner.

This is a record-breaker indeed. Mcst magnificent sweet peas are grown in Truro, especially at Ravensworth, where the "Mrs. Hugh Dickson, " variety has bloomed with four perhaps an occasional five flowers on the one stem but no one here can equal the tape seed sown sweet peas, that have developed eight blossoms on a stem in garden in the "Celestia City."

A large circle of friends in Trure extend best wishes to this popular young lady and wish her 'good luck'' i in her new home

A TOUCHING POEM.

The Halifax Angler when he now goes out to fish has to live on happy nemories of the past which he thus expresses in verse:

It's nice to sit and think and fish, And fish, and sit and think, And think and fish and sit and wish That you could get a drink.

Mrs. S. D. Burns and daughter Gladys, of Edmundston, N. B., are visitors in Truro, guest of Mr. and Mrs. L. E. Dryden, Wimburn Hill, Mrs. Burrs will leave her daughter Truro to attend Colchester

Artistic Economy for the Home Roof

THE cost of DURO, as compared to its only real competitor, slate, is very moderate. DURO Shingles are more artistic than Slates, are laid more easily and in less time.

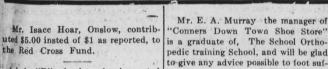

One DURO Shingle takes the place of four old-style shingles, and gives better service.

Made in the same good way, and of the same tested materials as RU-BER-OID, with an additional surface of crushed slate, Red or Green.

Send for booklet, "Artistic Roofs".
