NOBODY CAN TELL IF YOU DARKEN GRAY, FADED HAIR WITH SAGE TEA

Druggist Says When Mixed With Sulphur Prevents Dandruff and Falling Hair.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, then left to age and carefully filtered will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation: your hair is fading, gray or dry, scraggly and thin, mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as

"Wyeth's Sage and Sulphur Hair Remedy," this avoiding a lot of muss. Some druggists make their own, but it isn't nearly so nice as "Wyeth's."

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush and draw it through your hair, taking one small strand at a time. Do this to-night and by morning all gray hairs have disappeared, after another application or two it will be restored to its natural color and be even more glossy, soft and luxuriant than ever. Local druggists say they are selling lots of "Wyeth's Sage and Sulphur," it surely helps folks appear years younger.

Quebec Put Another Spike in Flag.
Toronto, Feb. 23.—Quebec swamped before a very small crowd at the Arena last night. As an exhibition of hockey the game lacked all the essentials, but was characterized by the unfriendly tactics of both teams.

Woodstock in Third Round.
WOODSTOCK, Feb. 23.—Woodstock put the Guelph Victorias on the shelf last night in a second-round junior game. The Industrial City youngsters doubled Guelph's score after being beaten in the first game in the Royal City by 8 to 7. Last night's figures were 10 to 5. The visitors were delayed en route and the game did not start until after 10 o'clock.

Keen ice and hard checking by both teams prevented much combination, but the locals were able to use two men rushes to advantage at times and have improved in this respect. Armstrong and Sandercock were the best for Woodstock. McKen of Guelph starred for his team. The halftime score was six to one. The teams:—

Guelph (5)—Goal, Grant; point, Hadden; cover, Hayes; rover, Spalding; centre, Foster; right, McKen; left, Little.

Woodstock (10)—Goal, Childs; point, Sutherland; cover, Sandercock; rover, Smith; centre, Armstrong; right, Jones; left, Quinn.
Referee—H. Sproule, Toronto.

MONTREAL, Feb. 23.—Before the record crowd of the season and in the most spectacular hockey, Canadiens broke the tie between the two local teams at the Arena last night, winning by a score of six to four. The winners jumped into a commanding lead in the opening period which was not overcome by the Wanderers, although the latter never showed to better advantage in any previous game this season. The ice was the keenest of the winter. Rough work was conspicuous by its absence, only five minor penalties being recorded during the match, and these were for skating offside.

OTTAWA, Feb. 23.—Ottawa made the Tecumsehs look like a joke team last night, the final score being 11 to 0. Tecumsehs were played off their feet from beginning to end.

Fred Lake and Percy Lesmeur were both off the Ottawa team, owing to illness, but Benedict, who

Governor-General's Prize
The competition for the Governor-General's prize will be finished this afternoon. Queen City, Brampton and Napanee are the surviving clubs.

Brampton and Queen City will meet in the semi-finals at the Victoria Rink at 9 o'clock this morning, and at 2.30 in the afternoon the winner will play Napanee at the same rink. Collingwood is this year's winner of the Ontario Tankard, defeating Orillia in the semi-finals yesterday by 44 to 26, and taking the final game from Owen Sound by 38 to 23.

HOT FLASHES.

Women in middle age often complain of hot flashes. They are at that stage of life—when their delicate organism needs a tonic and helping-hand which only Dr. Pierce's Favorite Prescription can give them. Many women suffer needlessly from girthed to womanhood and from motherhood to old age—with backache, dizziness or headache. A woman often becomes sleepless, nervous, "broken-down," irritable and feels tired from morning to night. When pains and aches rack the womanly system at frequent intervals, ask your neighbor about

Doctor Pierce's Favorite Prescription.

Miss J. LORON, of 221 S. Benton Street, Baltimore, Md., says: "I wrote you about nine months ago, telling you of my condition. I have a fine baby girl—she weighed nine pounds when born. She is my third child and the strongest of them all. My suffering was only for two hours. I took several bottles of 'Favorite Prescription' and one of Dr. Pierce's Smart-Weed. I never had a well day before I took your medicine. I was surprised how well I felt—could eat—was always hungry, and never had a sick stomach. The nurse who was with me said the medicine was wonderful because I got along so nicely after having had so much trouble before. She intends to recommend it to all her suffering patients. Everybody is astonished at me because I only weighed 102 pounds before and now I weigh 125. I have had several ladies come to me and ask about Dr. Pierce's medicine. I am willing to recommend it to all who suffer and want help. If you want information I will be glad to give it to them."
