For coughs in any stage there is no remedy so valuable as Dr. Pierce's Golden Medical Discovery.

It cures deep-seated, obstinate coughs, bronchitis, bleeding of the lungs, and like conditions which if neglected or unskillfully treated terminate in consumption.

There is no alcohol in "Golden Medical Discovery," and it is entirely free from opium, cocaine and other narcotics. Accept no substitute for "Golden Medical Discovery." There is nothing "just as good."

"I took a severe cold which settled in the bronchial tubes," writes Rev. Frank Hay, of Northville, Jefferson Co., Kansas. "After trying many remedies labeled 'Sure Cure,' almost without number, I was led to try Dr. Pierce's Golden Medical Discovery, and I was cured, and have stayed cured."

"When I think of the great pain I had, it seems almost a miracle that I was so soon relieved. That God may spare you many years and abundantly bless you is the prayer of your grateful friend."

HAD BLOOD POISON 12 YEARS The New Method Treatment Cured Him after Drugs, Mercury, Hot Springs.

Wm. H. Patterson, of Saginaw, Mich., relates his experience: "I do not like motility and especially of this kind, but I feel I owe this much to Dr. K. & K. for the great good they have done for me. I had a severe blood disease when 24 years of age. The skin and blood symptoms gradually developed. Ulcers, rashes, itching, running sores, broke out, but I became discouraged, and I was told to go to the hot springs, but I did not. I visited Hot Springs twice for four months, but it did not help me. I was as bad as ever. Finally a doctor friend of mine advised me to see Dr. Kennedy & Kergan. He said they were the only ones who could cure me. I went to them and they made a speciality of these diseases and treated the worst cases by the method they taught me to cure them. I was cured of my blood disease. I took his advice. They agreed to treat me under a guarantee or no pay. I investigated their medical standing and found they were perfectly responsible, so I commenced the new method treatment. The eruptions disappeared in two weeks, the bone pains in four weeks and in four months was entirely cured. Yes, sir, I can recommend them for the cure of Blood and Skin Diseases."
