THE ACADIAN.

WOLFVILLE, N. S., JULY 17, 1896.

Local and Provincial.

The Band will play at Evangeline Beach to-day, from 4 to 8 p. m.

Rev. Dr. Higgins is filling the pulpit of the Baptist church, in the absence of the pastor, who is enjoying a well-earned vacation.

Rev. Arthur Borden, B. D., missionary elect for Japan, will preach in the Methodist church next Sunday evening at 7 o'clock.

If you want to have an enjoyable outing, go to Evangeline Beach this afternoon. The Band will be there, from 4 to 8.

The nymph conveyed a party of tourists to Evangeline Beach, on Wednesday afternoon last. The weather was perfect, and the trip much enjoyed by all on board.

We have seen this week some of the work of Mr. Wallace's new cutter, and can pronounce it first class in every respect. You will make no mistake by giving him a call.

A party of fifteen wheelmen from the U. S., who are doing the Valley on their "bikes" were in Wolfville on Wednesday last, and were entertained at the Royal Hotel. They went from here west.

Balcom's "Beach Express" now makes daily trips to Evangeline Beach and is well patronized, the large wagon usually being well filled. Mr. Balcom has good teams and obliging drivers and is getting the reward for his enterprise in abundance of business.

Grand discount sale at the Glasgow House—now on. Call and get bargains in all Summer Goods.

By referring to the adv. of Messrs. Lewis Rice & Co. in another column it will be seen that hereafter Mr. Robson will be in Wolfville on Monday and Tuesday of each week, beginning next Monday. This is an improvement over the old arrangement that will no doubt be appreciated by the people of Wolfville and vicinity. Mr. Robson is an artist of much ability, and the work he has turned out lately is of a high order.

Messrs Gray & Sanford, of the marriage-round which operated in Wolfville for several days lately, have dissolved partnership. Mr. Sanford had, it seems, invested about \$1150 in the enterprise which secured him a half interest in the business and patent. Owing to lack of patronage, accidents, etc., Mr. Sanford became discouraged, and on Wednesday last sold out to his partner for \$100—dropping a cool \$1050. Mr. and Mrs. Gray left on Thursday for Bridgetown where the "Jolly Boats" will be next located, and Mr. Sanford returns to his home in Weston. Such is life.

Prof. A. E. Caldwell writes from Parrabore that the members of the Summer School of Science, about forty, intend visiting Wolfville on Tuesday, July 21st, arriving by steamer at 9 a. m. He suggests that a lunch and drive be tendered them during the day, and every thing be done to make their visit enjoyable. We understand that arrangements are being made for giving the party a suitable reception. Lunch is to be served in Chipman Hall at 11 o'clock and in the afternoon the visitors will be driven around to points of interest. It is hoped that the townspeople generally will assist in whatever way in their power in this movement.

Beach Echoes.

Over one thousand persons have visited the Beach since July first. So many wish to bathe this season that Mr. Balcom has found it necessary to put on two express instead of one.

The Beach is visited every day by numbers of tourists who greatly enjoy the bathing and the scenery.

Picnic parties are very frequent at the Beach.

A neat little cottage has been erected for the convenience of families desiring to rusticate at the Beach.

Twenty new bathing houses have been added to those of last year, making forty in all. A new shed for horses has also been put up.

Arrangements are being made by the Exhibition Association of St. John to secure attractions of a high character for the coming Exhibition. Fireworks of a superior character will be exhibited six evenings, if weather permits. The hall in the Agricultural Building will be occupied every afternoon and evening by a splendid Variety Company, whose performances must secure crowded houses. A number of interesting and attractive outdoor performances are receiving the attention of the committee.

MR. G. V. R. SAND has sent to this office a box of anomalous strawberries of the Trempehe de Grand variety. Mr. Rand is the pioneer strawberry grower of this county, and he does not intend to be beaten by novices.
