WARREN M. RIDEOUT

On June 27 Warren M. Rideout died at his home in Somerville after a lingering illness of heart disease. Three days before his death he was stricken

with paralysis from which he did not regain consciousness. He was the son of the late George Rideout and was sixty-five years old the day he died. He was married twice, first wife being Miss Sophia Shaw who prede-

ceased him eight years ago. He leaves to mourn his wife, one daughter, Mrs. Perry H. Bishop of Coronation, a daughter-in-law, Mrs. Annie Rideout of East Florenceville, one grandchild, Glenna Bishop, three sisters, Mrs. Charles Stevens, Hartland, Mrs. Nelson Day and Mrs. Harry Shaw of Washington, and a number of other relatives. When a young man he joined the United Baptist church and lived a faithful Christian until his death.

The funeral was held from his home Sunday afternoon, the service being conducted by Rev. G. F. Bolster, who took his text from Hebrews 11:10. The music was furnished by the United Baptist choir and the hymns they used were, "I'm Going Home," "Will the Circle Be Unbroken," "When I Get to the End of The Way." The beautiful floral tributes showed the high esteem in which he was held.

Small warehouse along side railway track, also a blacksmith shop to let at Hartland. Apply at Carr's.

UNITED STATES OFFICIAL

A leading patent attorney of Washington, Mr. Edward Holmes, presented the Bridge Box for copyright. He writes: "The Examiner in charge of the trade mark application was very much pleased with the idea of having a pack of cards enclosed in the box

and asked me to ascertain what Moirs charge for the filled box."

He will be astonished when he discovers how low the charge is, cards, chocolates, score sheets and all, and how high the quality of the chocolates is.

That's where the Canadians have stolen a march on the Americans—they know this already.

BIG FIRE AT FLORENCEVILLE

B. F. Smith Loses Warehouse—Loss Estimated at \$4,000

A serious fire broke out Saturday shortly after 12 o'clock at Florenceville Station in the potato warehouse owned by B. F. Smith, after the passing of the south bound freight train.

For a time it looked very serious for the destruction of all warehouses. Fortunately the westerly wind saved the situation although cinders and half shingles were blown for a mile across country. The 40 by 60 foot building was quite new, having been constructed eight years ago and was formerly owned by B. C. McIsaac.

Fortunately the potato season is over, the building was empty save a number of potato stoves, scales, etc., and a few barrels of vitriol. The property was covered by \$4,000 insurance and will be rebuilt during the summer in time for the potato business in fall.

Practically 10 years ago fire destroyed all warehouses owned by B. F. Smith, McCain Produce Co., and Guy Porter, also Florenceville Station, freight shed, 800 tons hay and 10 box cars on track, making a clean sweep.

During her school days she has been ill a few times and been operated on for tonsils and adenoids during holidays.

The watch is of the nurses' type and Miss Shaw expects to start training in September.

Birmingham, Victoria, at the noon hour, Wednesday, June 20, when their youngest daughter, May Louise, was united in marriage to Lorne Edward Britton, son of Mr. and Mrs. E. A. Britton, Hartland. The bride's dress was of white crepe de chine with silk lace trimmings, conventional veil and orange blossoms. She carried a bouquet of pink and white carnations.

Immediately following the wedding march played by Miss Hazel Birmingham, sister of the bride, "Because" was sung by the bride's uncle, Garrett W. Birmingham. After the wedding dinner was served. The happy couple left for a short trip to St. John and Fredericton.

Pleasant, who just returned from Detroit, was united in marriage to Minnie Melville, daughter of Mr. and Mrs. Edwin Melville of Lansdowne, the ceremony being performed by Rev. G. F. Bolster.

HARTLAND CADETS PASS INSPECTION

The Hartland Cadet Corps, No. 978, paraded last Thursday afternoon for their third annual inspection. The inspection was held on the baseball grounds under Lieut.-Colonel Snow, of St. John, accompanied by the instructor, Lieut. G. W. Montgomery. The boys carried out various drill movements under Lieut. Walter M. Morgan, assisted by Cadet Lieutenants Dickinson and Knight. They also gave an exhibition in physical exercise and open formation movements.

Lieut.-Colonel Snow addressed the boys for a few minutes and praised them for the orderly manner in which they had carried on. He also said nothing definite could be done about a Cadet camp this year, but that in all probability there would be none as there was no militia camp, except for officers. The Cadets have the advantage of an efficient drummer, Allan Baker, and whom the Corps are sorry to lose in the coming year as Private Baker has joined the local C. P. R. staff and expects to move to another station.

After the parade the boys enjoyed a treat of ice cream furnished by the instructor and assistant-instructor. Just before dismissal Lieut. Montgomery told the boys that he was obliged to leave the Corps as he has been moved to Bath, N. B., but he recommended Lieut. W. Morgan, a former captain of the Corps, to be appointed instructor for the next year, and he extended his best wishes for the success of the Corps in the future.

C. W. N. A. EDITORS
LAND AT BRUSSELS

Brussels, June 23.—The Canadian Weekly Newspaper Editors on tour in Europe arrived here today and were accorded a most enthusiastic welcome by the Belgian people and the press of this city in which many references were made to the part Canada's soldiers had taken in the great war.

After landing at Antwerp where they were officially welcomed the entire party proceeded to Malines where they were greeted by Cardinal Mercier. Here today they were received by King Albert who shook hands with all members of the party and wished them a pleasant journey through his country and a safe return to Canada. His Majesty also expressed the hope that the visit of the Canadian newspapermen would be followed by increased trade between Canada and Belgium and a closer understanding between the people of the two countries.

The party which numbered about 200 is made up of the editors and publishers of weekly newspapers in all the provinces of Canada and their wives. They left Montreal on board the "Melita" and after visiting the Belgian battlefields will go to Paris for a three days stay and will later spend some time in England where they will be received by their Majesties the King and Queen and will visit the Empire Exhibition at Wembley.

SUNDAY SERVICES AT
HARTLAND U. B. CHURCH

The subject will be "The Forgiveness of Our Debts." In preparation for this service let us read what Jesus said about God's forgiveness of us, and our forgiveness of others.

In the evening at 7.30 the pastor will again preach and will take for his subject "A Soul's Awakening." Special music will be provided by the choir at both services.

STOLEN AUTO IS RECOVERED

On Thursday, June 26, Sheriff Foster received a message from Bangor, Me., requesting him to be on the lookout for a large Nash sedan, H-1623 stolen from Edward Kane. The sheriff learned that a large car had been in Hartland during the day with a young man accompanied by a girl. He trailed the pair and found them at Muniac. He stepped into the car and ordered the man to drive to Woodstock, arriving this evening.

The man who is 23 years of age, gave his name as Norris Brooks of Bangor and the girl who is 17, Ethel M. Burnham of Bucksport, Me.

Norris says he met the girl the previous day at the Bangor circus. It is said they admit having stolen the car and are ready to return to Bangor.

Rev. H. V. Bragdon has not moved from Stickney as has been reported.
