## Election Cards

### For MAYOR

To the Electors of the City of Nanaimo:

Ladies and Gentlemen,—At the request of a large number of ratepayers I have consented to allow my name to be placed in nomination at the forthcoming Municipal election for the office of Mayor, and if elected I will endeavor to serve the city to the best of my ability.

I have always been opposed to introducing party politics into municipal affairs, and since I am not affiliated with any political party, I have got no interest in introducing politics at any time, so you can rest assured that my first and only consideration will always be the interest of the city.

The world-wide unsettled conditions of business generally through the European war, makes it not only difficult but unwise to give a detailed statement of what I propose to do if elected, which otherwise would expect of me in times of peace, but I can assure you that I will try and adapt myself to the changing conditions as best I can and will try and assist in governing the city on an economical basis consistent with good government and the needs and requirements of the city.

As the time is short between now and the day of election it will be impossible for me to see many of the electors, but I am a long resident of the city and trust that my career and reputation are such as to secure your fullest confidence, and also your vote and support on the day of election. I am, ladies and gentlemen, Yours very truly,

T. HODGSON.

### For ALDERMEN

#### CARD.

To the voters of the North Ward:—Ladies and Gentlemen,—I have decided to enter the lists at the forthcoming Municipal Elections as a candidate for alderman in the North Ward. My experience in former years I believe will enable me to look after your interests and that of the city as a whole, and I respectfully solicit your vote and influence in my behalf.

D. G. DAILEY.

#### FOR MIDDLE WARD.

To the Electors of the Middle Ward:—Ladies and Gentlemen,—At the request of a great many ratepayers in your ward I have decided to offer myself as a candidate for alderman in the Middle Ward. As a resident of Nanaimo for the greater part of 38 years I think I am sufficiently well acquainted with the needs of the city to give you useful and faithful service if elected.

E. A. HOSKIN.

#### FOR MIDDLE WARD.

To the Electors of the Middle Ward:—Ladies and Gentlemen,—I am a candidate for alderman in your ward. Without unnecessary words I would say that I have lived here long enough and am well enough known for you to judge of my capabilities for the position.

I solicit your vote and influence.

JOHN MEAKIN.

#### FOR SOUTH WARD

To the Electors of the South Ward:—Ladies and Gentlemen,—I have decided to offer myself as a candidate for alderman in your ward. As an old resident of Nanaimo I believe I am sufficiently well known to you all to know that if elected I will serve you to the best interests of your ward and the city in general.

JOHN ROWAN.

#### NORTH WARD

To the Electors of North Nanaimo:—Ladies and Gentlemen:—I have been requested by a number of ratepayers to run for alderman for the North Ward as an independent candidate and have consented to the nomination. I have been a resident of Nanaimo and Nanaimo district for many years. I am well known to many of you, and considering the condition Nanaimo is in at this time I do not wish for any remunerations. In fact if elected I will do my best entirely, for the good of the city.

JAMES KNIGHT

#### REFORMS ARE URGED.

London, Jan. 7.—The Royal Commission of civil service in its report published today recommends that some of the old traditions of the British service be made more democratic. One of the recommendations of the commission is that the time honored stipulation that all candidates for foreign posts in the diplomatic corps must have a private income of at least four hundred pounds be abolished.

## YOU CAN'T EARN MONEY WHEN YOU'RE LAID UP

There are a lot of people in this town who cannot afford to be sick. Perhaps none of you feel that you can, but certainly some of you can't, for as soon as you are sick, your wages stop and worry and debts begin to pile up. The sensible thing for you to do, as soon as you feel run-down and worn out, no matter what the cause, is to take something just as quick as you can to build up strength and health. Make yourself more comfortable and provide against serious sickness.

We don't believe there is any other medicine made that will do as much towards saving your health and thus helping you save your money as Resall Olive Oil Emulsion. It is a medicine that gets right at the trouble and relieves it by toning the nerves, enriching the blood, and giving new strength and health to the whole body. It doesn't do this by means of alcohol or habit-forming drugs, because it contains none. Its strength and health-giving power is due to pure Olive Oil and the Hypophosphites, long endorsed by successful physicians, the one for its food value, the other for its tonic value. Here, for the first time, they are combined, and the result is a real nerve, blood and body-building medicine—a real strengthener that we are proud to tell you about. You don't need to hesitate in using it, because if it doesn't do all we say it will and satisfy you in every way, it will cost you nothing. If it doesn't make you strong and well again, come back and get your money. It will be given to you without word or question. Sold only at the more than 4,000 Resall Stores, and in this town only by us.

## FOOD NOT ARMIES CONQUERS BELGIUM

Brussels, via London, Jan. 7.—"If the United States had not come to our aid, it would have meant starvation for most of us," said Alfred Nerinx, provisional burgomaster of Louvain, to the Associated Press today.

"We are willing to work, but we cannot when the doors are closed to exports. We cannot buy food, even if we had the money, when the doors are closed to imports. It is no fault of ours if we starve. Feed us now and we shall pay you back in industry when the war is over."

"We are paying back now in gratitude for the lives America has saved—gratitude which will endure as proof that human affection is stronger than any treaty alliance."

"Here in the midst of the ruins of my town, I do not lose heart. I know we shall rebuild it all if only we can have food to keep us alive. The most powerful army in the world cannot defeat Belgium, but America, armed with bread, is Americanizing Belgium. My worst fear is that there will be bread riots if the relief stops."

Mr. Nerinx said the population of Louvain was only 3,000 less than before the German occupation. The people whose homes had been burned are living with their neighbors. The burgomaster said he was giving work to the idle by having them clean the streets and repair houses which can be made habitable.

On the journey from Rosetta to Brussels by way of Antwerp, the correspondent of the Associated Press had to show his pass twenty times to Landstrum sentries, mostly Saxons and Bavarians. Often these sentries were men 45 years old. The pass had to be shown at the outskirts of every town and at intervals along the road.

Foreigners are not permitted access to the military zone west of the Antwerp-Brussels-Mons line and in the so-called zone of military occupation in eastern Belgium, the restrictions against travel are severe. It is difficult for Belgians to pass from one town to another. They can communicate with one another only through the German mails.

The representatives of the American relief commission are zealously scrupulous in seeing that no relief food is taken by the Germans.

Hunger is driving more and more persons who have been well to do to stifle their pride and ask for bread. The remote towns, where suffering is most acute, are now being reached by the American commission and no Belgian who will ask for food need go hungry.

The longest bread line was seen at Liege, formerly an industrial centre, but where now all the factories are closed. For three hours in the cathedral square the people passed in line as big loaves were handed out from the bins.
