PROCLAMATION TO THE Good People of P. E. I. PROBABLY there is not a family in your Province but what some members of it are more or less afflicted by Humors or Chronic Affections. As a result for these various complaints, there are numerous preparations brought into the market, but all of them of little or no good. But there is a discovery which has recently been made in chemical analysis that is wonderful in its operation. It has been long enough tried and we have proof sufficient to satisfy all from men holding the highest offices the people of the United States can give—that the medicine will do just what it is recommended. It is HAMPSON'S VEGETABLE TINCTURE. The medicine is compounded from the Vegetable Kingdom of some of the best of each class of co-operative, simple remedies, it fully restores all the essential organs of the human system and there it has proved itself so effectually curative of the whole course of chronic affections.
