The petit jury found the two prisoners not guilty.

Miller and Frank Barry charged with breaking and entering and stealing \$500 worth of fishing nets, the two prisoners pleaded guilty and were given three year's imprisonment in Dorchester penitentiary. In the case of the King vs. Dalton for assault the grand jury brought in no bill.

Should Give Thanks With Whole Heart

On Thanksgiving Day, we as the people of New Brunswick should find a note of thanks in our hearts first of all, to God for His infinite gift to this world that brought to us all the blessings and privileges which we enjoy, and also for the fact that He has not allowed any calamity to come to our fair province.

Although there has been a depression in business the same as in other parts of the world, yet He blessed us with abundant crops, so that our people can say that their barns are filled with plenty.

Be thankful, unto Him and bless His name, for the Lord's good, His mercy is everlasting and His truth endureth to all generations.

We, as citizens of Newcastle and New Brunswick should give thanks to God from our hearts and not only from our lips, for our lips should speak forth at this time, what our hearts believe.

Legal Objection To Church Union Bill

Capt. Ian MacKenzie Raised Point Regarding Introduction of Bill.

Victoria, B.C. Nov 6--Legal objection to the introduction of the Church Union Bill was raised in the Legislature by Captain Ian MacKenzie, Liberal Vancouver who stated that by a decision over the house of Lords in 1904, it had been established that the Presbyterian General Assembly had no power to commit the church to just such a proposal, Captain MacKenzie asked a ruling on the matter. Speaker Buckham reserved his decision.

Hon. J.P. Byrne former Attorney General of New Brunswick was sworn in as judge of the King's Bench Division, Supreme Court of New Brunswick by Sr J. Douglas Hazen, Chief Justice of New Brunswick in the Equity Court room in the presence of members of the bench and bar. King Kelly, K.C., a classmate of Mr Justice Byrne on behalf of the class of 1899, extended felicitations. Mr Justice Byrne feelingly replied.

Following the reading of the warrant, signed by the deputy governor general and the secretary of State Sir Douglas administered the oath of office, Mr Justice Grimmer holding the Bible. Then followed the oath of allegiance after which the judges heartily shook hands with their new confreres.

Observation of Armistice Day

Service at Memorial Cross in St. Andrew's Church yard

Tuesday, November, the eleventh Armistice Day was observed in Newcastle with an outdoor service at the Memorial Cross in St. Andrew's Anglican churchyard.

The Great War Veterans' Association and other societies of the town were represented at the service which was directed by Rev. F.E. Bishop, Baptist pastor, following which poppy wreaths were placed on the Cross. Service commenced at 10.45 a.m. and finished at 11 o'clock. A general invitation was extended to the public.

Great Fire, Sunday At Windsor, N. S.

A fire that started on a Water street wharf, Windsor, N.S. at 1.15 o'clock Sunday morning and quickly spread before a 55 mile an hour gale that carried sparks and burning debris miles over the town, rendered 42 families homeless, destroyed 30 buildings and caused damage estimated at \$350,000 before finally being brought under control at daylight. Only the most strenuous work of firemen who had been brought from Halifax, Dartmouth, Wolfville and Kentville to aid the local force saved the entire town from destruction.

CHATHAM TO HAVE GOOD HOCKEY TEAM

Unlike other North Shore towns, Chatham, as yet, has made no preparations for the 1925 hockey season. This, however, should not be taken as a sign that there will be no hockey in Chatham during the coming winter. As a rule, Chatham is tardy in getting ready for hockey, and this year is no exception to the rule.

There seems no reason to doubt that the local club will be able to place a team on the ice as worthy of the Red and White as any of its former wearers.

Chatham's team last year though not of the championship calibre, made a fairly creditable showing. Last year's team is practically intact and most of the players will be available this season. Though it is not certain that the veteran "Joe Currie" will be seen on the ice this year, his services will be invaluable as coach. Kerr, McMahon and Fleisher are three youngsters who should show improved form this year. Duncan, Veno and Keoughan, will probably turn out again this season. The last named, when in top form ranks among the topnotchers in the amateur game in New Brunswick. It is expected that Carvell will be seen again in goal. The services of Gordon Moar, formerly at milder for the Bathurst outfit will also be available.

It is probable that a meeting of the club will be held shortly when arrangements will be made for the season's play, and a delegate appointed to attend the meeting of the M.A.H.A. which meets in Moncton about the middle of this month.

The Arlie Marks Players

An exquisite touch of humor and heart interest plus swift action and a theme that will appeal to all classes of theatregoers makes "My Irish Cinderella" the opening bill of the Arlie Marks Players, one of the really big attractions of the year, to date. This company opens a two nights' engagement at the Opera House, Monday, November, 17th. "My Irish Cinderella" was especially selected for Miss Arlie Marks by Mr. L.E. Perrin and personally supervised by him and with out a doubt it may be said that it touches a very high place of excellence as to story, direction, and personality of the Star herself. Mr Perrin has been associated with Miss Marks for some time and understands thoroughly her requirements in stories, therefore he kept her qualifications always in mind when he secured "My Irish Cinderella" and the result is the story fits Miss Marks as snugly as a new glove. The Company also carry six extra acts of polite vaudeville featuring a Scottish Review by the Scotch lads and lassies entitled "A Breeze from the Land O' the Heather" An entire change of program will be given each night. Don't fail to see the Parade and hear the Band Concert by the Ladies' Pipe Band.

Doctor Prescribes Moirs

A druggist in Moncton noticed that one of the nurses in the hospital there was buying cream centred chocolates every day. Inquiry revealed that these were for a patient who had been operated on for appendicitis and stomach trouble. After the operation

the doctor prescribed chocolates as the best means of obtaining a sufficient supply of sugar in his diet, orders being to give him a half pound daily.

When his wife noticed this she volunteered to buy the chocolates. She was instructed by the nurse to buy Moirs' Chocolates. Though the man's diet is increased and more varied now that he is up and around, he still takes his Moirs' Chocolates constantly.
