ARTHUR B. COBB
Dentist

Have you ever considered your
teeth as a source of poor health?
It is astonishing to learn
that physicians are agreed that
many troubles, stomach dis-
orders, rheumatics and many
other common ailments are every-
where the direct result of de-
cayed teeth. Poisons that are
absorbed by decaying teeth
poison themselves throughout
the system and general ill health

Health demands healthy
teeth and healthy teeth can be
obtained if you will grant them the
attention necessary.

Write you to consult with
our skilled Dentists
to insure the health of your
teeth. Examinations of this
kind are made without cost, and
advise you if any Dental
work is necessary. Our
fees are the lowest.

Well known as "White
