Common Sense

says you cannot get "something for nothing", neither can you buy a superior article for the same price as an inferior one. A dollar watch is not as good as a twenty dollar one—you know that. For the same reason a cheap engine is not as good as a more expensive one. Any reliable Engine Dealer or Travelling Salesman will tell you this; as a matter of fact, if you stop to think you won't need to be told.

The Lathrop Oil Engine
is not the cheapest Engine first cost, but you will find it infinitely cheaper and more satisfactory in the "long run."
IT WILL PAY YOU to spend the few extra dollars for first cost.
SATISFACTION GUARANTEED—And we stand behind our guarantee.
