A Good Medicine For the Spring Do not Use Harsh Purgatives —A Tonic is all you Need.

Not exactly sick—but not feeling quite well. That is the way most people feel in the spring. Easily tired, appetite feeble, sometimes headaches, and a feeling of depression. Pimples or eruptions may appear on the skin, or there may be twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order. That the indoor life of winter has left its mark upon you and may easily develop into more serious trouble.

Do not dose your elf with purgatives, as so many people do, in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. Any doctor will tell you this is true. What you need in spring is a tonic that will make new blood and build up nerves.

Dr. Williams' Pink Pills is the only medicine that can do this speedily, safely and surely. Every dose of this medicine makes new blood which clears the skin, strengthens the appetite, and makes tired, depressed man, woman and child ren bright, active and strong. Mrs. S. E. Stevens, Ponoka, Alta., says: "I suffered severely from headaches, and was badly run down in health. I had tried several remedies with no benefit, until I was advised to try Dr. Williams' Pink Pills, and these have fully restored my health, and I can recommend them with confidence to all weak women."

Sold by all medicine dealers or by mail at 50c a box or six boxes for \$2.50, from the Dr. Williams' Medicine Co., Brockville, Ont.

THE MARKETS

CHICAGO, April 19.—Despite a late setback, caused by reports that negotiations with Austria had been broken off, the wheat market today finished 1 1/2c to 3c above Saturday night. Full movement of a big falling off in the domestic supply had much to do with the strong upward movement of prices. The greater part of the session, corn closed 1/2c to 3/4c net higher, oats 1/2c to 3/4c down and provisions up 7/8c to 25c.

TORONTO GRAIN MARKET. Wheat, bushel, \$1.40 to \$1.45. Corn, bushel, 1.30 to 1.35. Barley, bushel, 1.25 to 1.30. Oats, bushel, 1.15 to 1.20. Rye, bushel, 1.00 to 1.05.

WINNIPEG GRAIN MARKET. WINNIPEG, April 19.—May wheat was sold this forenoon at 1.51 1/2c, which is only 1/2c under the previous record of 1.52 for this month on Feb. 3. Later higher figures were touched for May. Trading in futures was light and chiefly the speculative element. There was little or no cash demand for wheat on the local market, while for corn there was fair inquiry, and a few cars changed hands. Flax was dull, practically nothing being offered on the market. No new business in export was reported.

Total inspections on Saturday were 297 cars, as against 391 cars last year, and in sight today were 345 cars. Wheat futures closed 2 1/2c to 3 1/2c higher, corn 1/2c to 3/4c higher, for contract grades, oats 1/2c to 3/4c higher, and flax 1/2c to 1c higher.

MONTREAL GRAIN MARKET. MONTREAL, April 19.—There was some demand from foreign buyers for Manitoba spring wheat today and sales of a few odd lots were made for export, but the prices bid for future shipment continue to be out of line. The tone of the local market for grain is quiet, but there is no improvement in the volume of business, the demand being still limited from both local and outside buyers. In fact the feeling is strong with a better business doing in export account, but the local trade is quiet. The trade in millfeed is rather slow.

Butter is fairly active and firm. Cheese is quiet, demand for eggs good. Dressed hogs have advanced 25c per cwt.
