

SNAP-SHOTS AT VARIOUS SPORTS.

Another good Texas Jack colt is going to the races. He is called Texas J., and is owned by Ack Wigle, Kingsville. He won in Detroit on Saturday, and the Canadians got all the money in sight. He has all the marks of a good ones. These Texas Jack "pastors" are going some.

The last barrier has been removed, and now there is no reason why Maud Keswick should not be champion of the side-wheelers. She has had a romantic history. According to the story, she was at the useful but plebeian pursuit of drawing cheese when discovered. She was seen, bought, sent to the races, and now it is predicted that she will be the fastest pacing mare in the world. This is her first season on the turf.

At Cleveland the other day a "rassling" match was put on, and after the affair was over, the irate crowd mobbed the "grapplers," and they later had a narrow escape. Well, what did they expect? The headspinners are not working for their health. An honest wrestler is the noblest work of nature.

Missouri Chief, the Stratford pacer, is another 2:10 prospect. He was second in Kalamazoo in 2:07 1/2, and was only beaten by a neck at that. He has landed some good races this year. He ought to be due for the big rigs next season.

For the first time in four years, Messrs. E. S. Glasco and C. D. McDowell lost the tennis championship in doubles on Saturday last to Messrs. Ralph Burns and A. C. McMaster. Toronto is experiencing a boom in tennis. It's a fine game. Houghton has turned out some good ones, too.

The Tecumsehs beat the Caps at Ottawa on Saturday. Now listen to the Telegram's syllogistic reasoning—Tecumsehs beat the Caps, who beat the Shamrocks—once who beat St. Kitts. All of which proves that the Tecumsehs are the greatest in the world. That's fine. The papers say that the game was slow, and we believe it. The Tecumsehs won as before stated.

The Argonauts are getting together a fine bunch of Rugby players, and "Billy" Hewitt's bunch look fast. Jeremy and Reynolds, of the old Varsity team, certainly are fast, and if their back division goes strong, they will have no mean team. The Tigers are doing some, too. Well, down here, we're getting busy. Don't knock this team, because there may be a few surprises from this section.

In five games last week, "Cheerful" Hickman, of the Washington team, made six triples, five doubles, and six singles, seventeen hits, for twenty-four bases. Fine hitting, that.

Galt's Olympian champions gave the English team a run for their money on Saturday. The best of the "sockers" from abroad could do as a tie game. Well, dear me, those blooming colonials have been beastly rough, don'tcher know. H'except Galt. Sir Charles actually declared that "e was surprised at h'our game, slap me! H'as soon has they get the propah tone, you know, they will be very cleavah, slap me!"

"Mooney" Gibson is hitting along at a good clip, and his average is .233. He is fielding at 919. His work justifies the good opinions of the critics.

The announcement that twelve teams have entered for the fall championship of the Chicago League of Association Football is evidence that the kicking end is growing in popularity. Englishmen who saw the game gradually the Rugby code in their own country have predicted that some day the "socker" code will be played professionally in this country, as it is in England. Possibly they are over-enthusiastic, but it cannot be denied that during the last three years the sport has made great strides in several of the larger cities. It is a game admirably fitted to the American temperament, containing lots of action, and being withal a game of skill. To play the game successfully a player must begin young, and, having acquired the skill, he must keep himself in the best of condition in order to keep in the front rank. It is moreover a sport which the man who works at the desk all the week can go out and play, and in this it fills a long felt want for the fall and early spring months.—Chicago Tribune.

Nelson drew the color line on Gans, but Saturday Twin Sullivan made it quite unnecessary. He made Gans look very easy.

No, that limp and black eye should give you no alarm. It puts you in the hero class. They imagine you are a football player.

The open season for catching speckled beauties is over, and there will be no more trout fishing allowed this year.

The duck-shooting is now on, and from our side comes the annual wall about the shooting laws. The season is rather short on this side, and Canadians certainly have but little chance to get good bags. About 90 per cent of the ducks are bred on this side, and for ten months of the year they are protected. The Americans, however, can shoot them spring and fall alike, and consequently they find duck-shooting a good sport. Our sportsmen should be given a little more chance. If the ducks are exterminated the American will be the chief cause.

Jersey City again jumped into the lead of the Eastern League on Saturday, and are now some points to the good. It looks as if the race would go to the "Skeeters," although the Baltimore "Birds" are good in a drive. The Giants are safe in the National, and the Athletics are sure of the American League bunting. Now for the world's championship. The Athletics for ours.

JOCKEY LYNE'S GOOD

WORK ON BIG TRACK

New York, Sept. 16.—Not less than 25,000 persons attended the races at Gravesend today. The Junior Champion Stakes for 2-year-olds, about six furlongs, which was worth \$11,775 gross, provided the most sensational race of the day, even though there were only five starters. H. P. Whitney's Pegasus and Juggler, both sons of Hamburg, were made the choice at 4 to 5, with James R. Keene's Kuroki, by Commando, backed down to 16 to 5, and Senator McCarron's Voorhees going up to fives. The start was a beauty. O'Neill was the first to show with Voorhees, who ran neck and neck with Pegasus for a quarter of a mile. Then Lyne took the lead, and Pegasus followed him. Lyne, who ran his best race of the year, when he hurried into the stretch, Voorhees had a slight advantage over Kuroki and both were under a heavy drive. Lyne, meanwhile, had taken Pegasus to the middle of the track and with a great ride the Whitney colt gradually wore the two leaders down until at the end he sailed past the judges' stand a half length in front of Kuroki, who in turn, beat Voorhees a head. Juggler was fourth all the way and Belmont last. The race was run in 1:16 2-5.

A. L. Astle's Alvin, second choice at 7 to 2, easily won the Oriental Handicap, 1 1/4 miles. He stopped the distance in the fast time of 2:06, which is fourth of a second slower than the track record. Butling, a 10-to-1 shot, was second, and Coy Maid, third. Butling went to the front at the start and set a pace, leading by 1 1/2 lengths in the run down the back stretch. Rounding the far turn, Lyne, on Alvin, sent him up away from his field, and won by 2 1/2 lengths.

The King's Highway Steeplechase resulted in a victory for the favorite, Nitrate, who won by four lengths from Grandpa, who was one length before

CHALLENGE ISSUED TO CLIPPER'S OWNER

Sporting Editor of The Advertiser

Dear Sir,—In the accounts of the Western Fair races in some of the papers, reference was made to Little Joe, as being dragged to the wire by his mate in lame, etc. Now, all these statements are not correct. Little Joe did not pull up lame, nor was he dragged after the half. There is also a statement going the rounds to the effect that I had something to do with changing the race-for-all from a mile race to a half-mile. I had nothing at all to do with it. Indeed, I was very much disappointed that the race was not for a mile. Since Little Joe has shown that he is easily the superior of Clipper at a half-mile, I would give Dr. Wood the satisfaction of a mile race with Little Joe to show that he is faster than Clipper at that distance also. I will match Little Joe for a mile race with Clipper, race to be held in two weeks' time over the Queen's Park track for \$100 a side under these conditions: Race best 3 in 5, hobbles barred. The winner to appoint one, the loser to appoint one; the two thus chosen to name a third; also two named by the owner of the third, the same starter that officiated at the fair to act, or any other race outside of London. I am leaving a deposit of £100 with the Sporting Editor of The Advertiser to bind the match. Hoping to receive a favorable reply, I remain, sincerely yours, DR. R. ROUTLEDGE, London, Sept. 18, 1905.

LOSE FIRST GAME; THINK THEY CAN WIN THE CUP

St. Kitts' Fast Team Gets Worst of Initial Match With Shamrocks.

Montreal, Sept. 16.—The Shamrocks won the first of the two-game series with the St. Catharines Athletics, for the Minto Cup, today, by 5 goals to 3, giving them a lead of 2 goals for the second match. The majority of goals in the two matches is to count. The Shamrocks' defense was surprisingly strong, and the Athletics' home defense kept them out successfully. The visitors think they have a good chance to win the cup, as they are now familiar with the Shamrocks' play. The Shamrocks' play, however, was not so good as in the first match. The Shamrocks' defense, however, was not so good as in the first match. The Shamrocks' defense, however, was not so good as in the first match.

Shamrocks—Goal, Casey; point, How. Art. cover, Kenny; defense, Kavanagh, McIlwaine, O'Reilly; center, Currie; home, Hennessy, Hoolby; outside, P. Brennan, J. Brennan; inside, J. Hogan. Referee—James P. Lally, Cornwall.

TECUMSEHS SCALP CAPS. Ottawa, Sept. 16.—Tecumsehs won from Capitals in a match which was characterized chiefly by blows, on a fairly oval today. The score was 3 to 2, and Tecumsehs deserved the victory. Realizing that all was practically lost, Caps put up a desperate attack in the last five minutes, but Tecumsehs' grand defense work saved the day. The westerners have probably the best defense seen here this season. Tecumsehs' defense was not so good as in the first match. The Shamrocks' defense, however, was not so good as in the first match.

ENGLISHMAN OUT-RAN THE YANKEE

Morton, of the London Harriers, Took 100-Yard Run at Championship Meet.

Montreal, Sept. 16.—The feature of the Canadian championships this afternoon was the stirring struggle between the teams of the New York Athletic Club and the Greater New York Irish Athletic Association, in which the former won by the narrow margin of four points, when Hillman crossed the line first in the relay race. The score was 56 to 53.

Morton, the English sprinter, won the 100-yard run in ten seconds, setting the new York A. C. giving him a close Morton's benefit, but not easily in for twelve seconds. The track was on the slow side. Only one record was broken, Martin Sheridan establishing 11 1/2 inches in the discus event. The former world's record was 128 feet, 10 1/2 inches, made last year at St. Louis, by Ralph Rose. The finishes in all the track events were close. Nine thousands persons saw the games. Summaries:

100-yard dash—First heat—J. W. Morton, South London Harriers, first; J. E. J. Tverstad, Greater New York A. C., second; D. E. Robertson, Greater New York A. C., third. Time, 10-2-5.

RECORD SMASHING AT THE WOODBINE

Several New Marks Made at the Opening of the Fall Meeting.

Toronto, Sept. 16.—Every race a record. That was the indisputable mark of approval stamped by the fleet thoroughbred upon the Woodbine course at the opening of the fall meeting this afternoon. The effect of a heavy rain on Friday night disappeared with a hot morning sun, and the track was in perfect condition when the horses paraded for the inaugural sport. A succession of sparkling performances was so bewildering many thought the well in his stride, Merry England, off the distance of the first event in 1:12 1/2, completely obliterating the former track record of 1:15. Miss Anxious followed with five-eighths, and the track was in perfect condition when the horses paraded for the inaugural sport.
