CITY MAY CHARGE RENTAL FOR AREAS UNDER WALKS

A Suggestion Made by Ald. Saunders at the Meeting of the Board of Works.

The city may charge a rental for areas under walks.

The suggestion was made by Ald. Saunders last evening at the meeting of the board of works, and it may be taken up seriously in a short time.

"In this city, there are several firms who utilize the space under the sidewalks," said Ald. Saunders. "At the present time, there are perhaps only a few in number, but the demand for them is increasing, and there will be large numbers of them in the future. Now, this is city property, and I think the city should be paid rental for it. The charge need not be high, but some charge should be made. They do it in other cities. On the residential streets a person cannot build a verandah a trifle over the street line without being summoned. I think the council should take this matter up."

Many of the aldermen, when spoken to, thought the idea a good one, and were of the opinion that a considerable revenue could be obtained from these rentals.

ANOTHER STEAM ROLLER REQUIRED BY CITY

Too Much Rolling for One Machine to Do This Year, Says the City Engineer.

City Engineer Graydon is out for another steam roller for the department.

At the present time there is one roller in commission, and it is absolutely inadequate for it to get over half the streets this year.

"We should have one or two more machines," said Mr. Graydon. "We cannot begin to get over the streets this year, and every year will be worse. We have plenty of work to do, and we should do it well. With another machine we could tear up several streets that need fixing, and make them as good as they possibly could be. We cannot do that with one machine, and the streets are consequently not in as good condition as they should be."

SARNIA WEDDINGS

Miss Edith Storey and Miss Jennie MacDermid the Brides.

Sarnia, Aug. 26.—An interesting wedding was solemnized on Wednesday evening, when Rev. Canon Davis united in marriage Miss Edith Eliza Storey, youngest daughter of William Storey, to Warren S. Pitzer, electrical at St. Clair tunnel, son of John M. Pitzer, Georgetown, Ohio. After an extended trip east, the bride and groom will for the present reside in Sarnia. Owing to the recent death of the bride's mother, the wedding was a very quiet affair.

A very pretty wedding took place at the Church of Our Lady of Mercy on Tuesday morning, when Miss Jennie MacDermid became the bride of Thos. M. Doucher, Father Kennedy officiating. The bride was prettily gowned in white. The bridesmaid, Miss Blanche Doucher, wore a gown of pink. Harold Doucher assisted as best man.

STEVENSON—WANLESS

Wedding of a Popular Couple in Chatham.

Chatham, Aug. 28.—A quiet, but very pretty wedding took place at 6 o'clock last evening at the home of Mrs. Thos. Wanless, 254 Lacroix street, when her eldest daughter, Miss May Wanless, was united in marriage to Mr. Harry Stevenson, of the Chatham Gas Company's office.

The bride was prettily gowned in cream Valenciennes silk, trimmed with cream applique, and suede pearls, and carried a shower bouquet of bridal roses. She was given away by her widowed mother.

Rev. Dr. Daniel was the officiating minister, the contracting parties being unattended. The wedding march was played by Miss Carrie Snell.

M'Robert, pastor of Hill Street Methodist Church, London. Rev. Joseph Gundy, St. Thomas, assisted by Rev. Mr. Lounds, of Brantford, officiated at the happy event, which took place before a bank of palms, ferns and asters. After the ceremony a dainty luncheon was served, after which Mr. and Mrs. M'Robert left on their honeymoon trip to Muskoka, and on their return will reside in London, where the groom is pastor of Hill Street Methodist Church.
