PLAN MEETING OF PUPILS' PARENTS

Mothers' Clubs Arrange Get-Together Scheme At Victoria School.

The Union Mothers' Club has been requested by Principal Miller of the London South Collegiate Institute to arrange a meeting on Tuesday evening next of the fathers and mothers of the students who are to attend this institution. The president, Mrs. Rose, has already held a meeting of these closely connected with the situation, and had the proposition placed before them. All of the ladies are very enthusiastic over the possibilities of such a meeting, and are making very careful and extensive arrangements so as to insure an opportunity of having explained to them the various courses included in the curriculum, as these are organized according to the regulations brought into effect last year by the department of education. This will enable the parents to co-operate with the principal in helping each student to decide upon the course that he or she should take, and will also give the parents a much better understanding of the way in which

Locked In

CHILDREN who go back to school Tuesday feel that they are going to be "locked in," after the freedom of the holidays. How would they feel were they locked in a dark room for four long years? That is what happened to Dominic Albino of New York. He was kept locked in a dark room for four years, according to officers, who found him in an east side garret.

the affairs of the institution are to be conducted.

The mothers' clubs connected with the various public schools in the district are making arrangements so that an opportunity will be given for the parents to meet the members of the staff of the new Collegiate Institute. They are making provision with this in view for a welcome to the principal and staff, by including in the program for the evening an opportunity for social intercourse and the serving of refreshments.

TO HOLD HARVEST HOME AT MELROSE

MELROSE, Aug. 29.—The annual harvest home anniversary services of the Melrose Methodist Church will be held on Sunday, Sept. 3 at 10:30 in the morning and at 7:30 in the evening. Rev. Mr. Hoskin, a former pastor, will occupy the pulpit both morning and evening. Special music will be given by the choir.

On Monday evening, Sept. 4, the annual chicken pie supper will be served in Melrose Hall from 6 to 8 o'clock, after which a splendid program will be given on the green adjoining the hall. The "Lyric Ladies' Quartet," of London, Miss Marie Westland, reader, of London, and Mr. Auld, tenor soloist, will provide the program.

BIG CROWDS ATTEND U.F.O. PICNIC AT THAMESVILLE

THAMESVILLE, Aug. 30.—The annual U. F. O. picnic was held this afternoon in Fred Mason's grove, with a large crowd present, but scarcely equal to that of last year.

Keen disappointment was felt that Hon. F. C. Biggs and Hon. Manning Doherty were unable to be present as expected. Manning Morgan was chairman for the afternoon and the speakers included Superintendent of Good Roads Pardo Broadbent; Russell Holmes, reeve of Camden, chairman of good roads committee of the county council; Wm. McKenzie, John Buchanan and T. J. Daly.

Sports of all kinds were indulged in by the young folks, including a baseball game between the junior teams of Kent Bridge and Thamesville.

The two miles of new pavement road, recently finished, was formally opened tonight and crowds are gathering from all directions for the street dancing. Music was furnished by the Ridgeway Orchestra.

HANGS SELF SOON AFTER DISCHARGE FROM ASYLUM

MITCHELL, Aug. 30.—On Wednesday, Fred Steinbach, a man 38 years old, who had only returned to his home on the 12th concession of Logan, on Aug. 13 from the London Asylum, committed suicide by hanging himself.

He did not make his appearance at dinner time and a search being made for him, he was found in an out-building hanging by a rope which was fastened to a raft.

An investigation was made by Coroner Armstrong and he decided an inquest was not necessary, as death came from suicide by hanging.
