MEDICAL. Consumption Can be Cur.

ONTARIO PULMONARY INSTITUTE. No. 135 Church Street,

M. HILTON WILLIAMS, M.D. PROPRIETOR.

TORONTO.

Permanently established for the cure of all the various diseases of the Head, Throat and Chest, viz: Catarrh, Throat Diseases, Bronchitis, Asthma, Consumption, Catarrhal Ophthalmia (Sore Eyes) and Catharrhal Deafness; also Diseases of the Heart.
Our system of Practice consis s in the most improved Medical Inhalations, combined with proper Constitutional Treatment. Having devoted our time, energy and skill for the past fifteen years to the treatment of the various diseases of the HEAD, THROAT AND LUNGS, (During which time we have seccessfully treated) (During which time we have seccessfully treated over 30,000 cases), we are embled to offer the afflicted the most perfect remedies and appliances or the immediate cure of all those troublesome

As we have seen in tracing the relation to Nasa Catarrh 3nd throat diseases to consumption, there are times, perhaps days, or even whole weeks together, when the affection gives little or no annoy nnce, and the patient flatters himself that it has entirely passed away, when a sudden cold or other cause of irritation occurs, and the progress of the disease is materially hastened. At this season of the year, not unfrequently, the disease becomes apparent, and admonishes the patient of the terrible future which must follow if the inflammation is not speedily allayed. Many there are who entervor to convince themselves that the evil is not of any nagnitude, and will soon pass away with he special cause of the irritation; but experience vill prove to them the fearful error as it has to housands who have preceded them to that "bourne rom whence no traveller returns."

whence no traveller returns."
one, therefore, who is affilied with nasal h or throat affection is safe while it is suffered with a suffered wi been quickly removed. How important it is, there-fore, that before the patient enters upon any course of medication a careful examination be made by one competent to decide upon the nature and extent of

halations are applicable to all diseases of the re-tory organs, including catarrh, throat diseases, na, bronchitis, consumption; and thousands of can be cured by this mode of treatment when g else can reach them.
ultation free, and prices of the institute withreach of all. est of references given from those already cured.

Those who desire to consult me in regard to their cases had better call at the office for an examination, but if impossible to visit the office personally, may write for "List of Questions" and circular, both of whatch will be sent free of charge. Address ONTARIO PULMONARY INSTITUTE.
