WORLD AT LARGE.

Virginia capitalists have paid \$160,000 or 32,000 acres near Great Bend, Kansas, tending to found a colony of Dunkards

The cities of Ely and Wells, both of which have episcopal palaces and a grand cathedral establishment, are so small that the latter was disfranchised simply because it had not, under the provisions of the last reform bill, the requisite 7000 people entit-ling it to representation.

ling it to representation.

A young foreign doctor who had lost heavily at the gaming table at Monte Carlo recently entered the church of St. Barthelemy at Nice just before closing time. Having been requested to leave, he begged for a few minutes' grace, declaring that he was about to kill himself. He was taken for a lunatic and compelled to leave. He shot himself just outside, and fell dead.

The officers of the Cincinnati steamboat

The officers of the Cincinnati steamboat Golden Rule have a pet cat that travels the Onio and the Mississippi to New Orleans, and somatimes goes ashore and stays until the time for hauling in the gangplank. She went ashore at Evansville once, and wandered about town until the boat had gone; but she took the next boat up, and was again in the Golden Rule a few days later. At another time she was lest at later. At another time she was lost at Port Hickey, and then she took the next

English society journals have discovered English society journals have discovered in a workman on the Illinois railway the son of Prince Salm-Salm, who fled his country in consequence of an affair of the heart. It appears that another member of the family, under similar circumstances, displayed more sense. Count Manfred Salm-Salm, having fallen in love with a shoemaker's daugitter, married her, and set up as a grocer in a German watering place, where he has achieved a fortune and purchased an estate. chased an estate.

chased an estate.

The following has been posted at St. George's, Hanover square, London: "It is earnestly requested that all persons will refrain from talking in the church before and after as well as during the marriage services, and that they will behave as in the house of God." St. George's is the fearbierable church for marriages and at fashionable church for marriages, and at fashionable church for marriages, and a cone time the clerk's fees amounted from \$10,000 to \$15,000 a year. The present earl of Devon's grandmother held the office, and of course appointed a deputy of the work course appointed a deputy of the work of the wor de the work.

de the work.

A correspondent writing from Bruges, Belgium, says that he finds prices there almost as moderate as they were thirty years ago. He deals with the same butcher and baker, and the same postman delivers his letters. Bruges has an English colony of about 800. In the sixteenth century its population was about \$200,000, now barely \$46,000, and decreasing, although Belgium is the most populous place in Europe. A good house of ten rooms can be had for from \$80 to \$100, with rates and taxes of about \$12.50. about \$12.50.

In the three days after his return from In the three days after his return from London to Paris, a correspondent writes, Lesseps had been to the Italian opera, three dinner parties, and gone out daily to ride with eight of his ten children. He had, besides, got through all the office work that had accumulated in his absence, been interviewed by journalist s from all parts of the world, given cues to friendly editors, checked housekeeper's accounts, and embraced a poeter in 400 lines, of which he is the a poem in 400 lines, of which he is the

The London Echo says the rising generation does not appear to take a very high flight in is literary tastes, to judge from the present state of the poll in the election for the favorite living author among the readers of Our Boys. It is at present headed by G. A. Sala, who has received 24 votes, while the author of Vice Versa follows him close with 21. G. Henty, Jules Verne, Wm. Black and "Paul Blake" are the only others who have yet reached double figures, while R. M. Ballantyne, G. R. Sims, Walter Besant and others are only represented by units.

WHITTIER AT HOME,

The Peet's Popularity With Little Children

nes entitled Benedicite, he has given blic no clew to the romance of his youth, iis sister Elizabeth, sympathizing with fils sister Elizabeth, sympathizing with him completely, of a rare poetic nature and fastidious taste, and of delicate dark-eyed beauty, was long a companion that must have made the want of any other less evenly felt than by lonely men in general. The bond between the sister and brother was more perfect than any of which we have known, except that between Charles and Mary Lamb, and in this instance the conditions were of perfect moral and mental health. To the preciousness of the relationship the pages of the poet bear constant witness and Amesbury village is full of traditions of their affection, and to the gentle loveliness and brilliant wit of Blizabeth, whom the people admired and reverenced

church gave the scholars a successful Christmas tree festival on Thursday night.

Policeman McRae and Kennedy, the professional runner, have been matched for a 100-yard race, the stakes being \$50 a side.

A youth named Wm. Valentine was a prisoner at No. 3 station last night, having among those who miss and make the most complaint about it are the chil-dren on the street. This is not remarkable when one remembers that Mr. Whittier does not stand on his dignity, but joins in

does not stand on his dignity, but joins in the game played in his presence, writes his nonsense verses on demand, has the keenest sense of the ludicrous, and loves all sorts of innocent fun. We have heard him say that he was known among the children as the man with the parrot—the parrot—being a remarkable hind that used to stop the doctor's gig with his "Whoa!" and when the school-bell rang would call from his lofty perch, "Run in, boys! run in!"—the fact being that the children felt the parrot to be a bond between them, and he was less of a demigod and more of a man to their imagin—

demigod and more of a man to their imagination on account of "Charlie." Mr. Whittier is, of course, very fond of child-Whittier is, of course, very fond of children, and he has been known to risk the loss of an important train with equanimity when the easy-going, good-natured hackman had been overtaken by an uproarious school of children, and had gone with them for a little drive, appearing at the door at length, the carriage overflowing with the rosy faces of the laughing little people, who cared nothing about the time, tide, and the train.—Harriet Prescott Spofford in Harper's Magazine for January.

n Harper's Magazine for January. Mrs. Cornwallis West was made u by the reception of a photograph of a beau-tiful American factory girl.

The Hon. John L. Sullivan was given a large steel engraving of Ralph Waldo Emerson, with compliments of "many Beston admirers." inks of American sausage. He devoured em secretly, but ravenously.

The prince of Wales received dunning letters from 25,000 impatient storekeepers and three cart loads of tracts. Mary Anderson received an offer of mar-iage from the duke of Portland. Freddy Gebhard got a mitten from Mrs.

Mrs. Langtry received a beautifully bund copy of the ten commandments.

A LHION HOTEL—GREAT ALTERATIONS have taken place at this hotel for the reception of travelers and agricultural people in general. It has long been felt that there was not sufficient room to accommodate the increasing trade of the hotel, and to meet this demand the proprietor has, at an expense of over \$18,000, purchased the late premises occupied by the St. Lawrence coffee house association adjoining the Albion, and has now 125 bedrooms, accommodation for 200 guests. The house has been re-indelled and re-furnished throughout at an outlay of \$5000—gas in every room, new dining-room 40x60, capable of seating 200 people at one time. The house is the best \$1 house in the Dominion.
