3 IN ONE FAMILY CURED OF SKIN DISEASE BY Zam-Buk.

Once more Zam-Buk, the great herbal balm, has been proved vastly superior to ordinary remedies, and has cured where other preparations had signally failed. Three children in one family have been healed by it. This not only shows the power of Zam-Buk, but goes to prove how beneficial its pure herbal ingredients are to the delicate skin of children.
Mrs. J. C. Bates, of Burk's Falls, reports the case referred to. She says: "I take great pleasure in recommending Zam-Buk as a cure for skin disease. My three children were all broken out with sores on face, hands and feet. Their condition was pitiable, and although I tried various ointments and salves, they did not seem to be able to get at the root of the evil, and the sores continued to spread. One day I saw a report in a local newspaper telling how beneficial Zam-Buk was for skin diseases, ulcers, etc. I got a supply of the balm and applied it to the children's sores. Almost immediately they got relief, and the sores began to heal. Although the skin disease had defied all the salves I had previously tried, in one week Zam-Buk overcame the trouble, and to-day the children have not a pimple or spot or mark of disease on their skin. For this grand result I have Zam-Buk to thank. It is a splendid healer."
Zam-Buk is thus shown to be altogether different and superior to ordinary remedies. It is a healing balm compounded from saps and essences of the finest known medical herbs. It has high antiseptic power, killing disease germs which settle on sores and eruptions, etc., and which set up festering, blood poison and suppuration. It cures eczema, skin rashes, cuts, burns, bruises, abscesses, ulcers, acne, blackheads, ringworm, blood poison, etc. It heals cracked and chapped hands, cold sores, etc. As an embrocation it is also widely used and gives speedy relief in cases of muscular rheumatism, sciatica, etc. Rubbed on the chest in cases of colds, it relieves the tightness and aching. All druggists sell at 50c. a box, or may be obtained post free from the Zam-Buk Co., Toronto, upon receipt of price. 6 boxes for \$2.50. Send one cent stamp for dainty trial box.

Willing to Help Along.
The cranky old bachelor was irritable. Calling the landlady, he said: "Mrs. Hastley, who is it that keeps singing, 'I Would Not Live Alone'?" "That is the lady in the room across the hall, sir," answered the landlady. "Well," continued the o. c. p., "kindly give her my compliments, and tell her if she keeps that up much longer she can rest assured she won't."

The Perils of the Cold Tub.
Are cold baths suited to this weather? A leading physician declares that the average man who has a cold fresh-water tub at this time of the year, going straight from a warm bed to the bathroom, might just as well take a dose of strychnine. "Cold baths," he says, "are dangerous to most people. You hear people who regularly go in for cold baths talk about the pleasant glow and the feeling of warmth and invigoration which follows. Certainly this is the case at the moment, but two or three hours afterwards they begin to feel sleepy. Bathing in tepid water is undoubtedly the best, as no evil results follow, and it is quite safe to bathe in cold sea-water."
