THIS SOCIETY is established on a mutual simplified system—the most approved in England; and founded on a basis so sound as to give the most effectual security to its members.

THE DESIGN OF THIS SOCIETY IS—  
First—To enable persons to become their own Landlords, and purchase Freehold or Leasehold Property, by advances made by the Society (£100 positively advanced for £36 a year for eleven and a half years, which sum pays both principal and interest. Other sums in proportion.)

Secondly—To provide a safe and profitable Fund for Savings, or Investments for small or large sums of money. (This Society offers opportunities in this respect which no other Institution in this Province can do;—Savings Banks only pay 5 per cent, whereas this Society pays 6 per cent. Compound Interest.)

THE OTHER IMPORTANT ADVANTAGES ARE—

1st—No money is lent but on security of Real Property.

2d—New Members are admitted up to the time the Society will end, with equal proportionate advantages.

3d—Any Member may withdraw the amount of his Shares at any time after the first year, with the compound interest thereon. Shares may be transferred at any time.

4th—Members may invest their Money in any of the Shares which will necessarily be doubled £100 at the commencement being worth £120 at the conclusion.

5th—Mortgages can be repaid at any time with proper notice.

6th—The Accounts and Bank Book are open for the inspection of members at every monthly meeting.

7th—Securities given by all Officers of Trust.

The Board of Directors in St. John have the GENERAL MANAGEMENT of the Society—but for the purpose of accommodating persons resident in other parts of the Province, BRANCH OFFICES, or AGENCIES, are formed—where Shares can be obtained, and all the payments made, in the various districts; and Local Boards of Management will be established so soon as the number of Shares taken in any district render it advisable.

The FEES are procured from the Monthly Subscription of the Members, and also from Monies invested in Paid up Shares, which will always ensure ample means for meeting the advances required.

The PROFITS are certain, because the amount paid by the borrower, for an advance, must necessarily form the fund for paying the lender.

The EXPENSES of the SOCIETY are small, as the Officers act gratuitously, with the exception of the Secretary and Treasurer.

The FEES and FINES form a Contingent Fund out of which the expenses are paid, and the balance, which will be very considerable, will go into the general Fund, which will lessen the duration of the Society.

Every information, with copies of Prospectus, Rules, &c. can be obtained on application at the Office of the Society or at the Offices of the Agents.

By order of the Board,  
CHARLES L. STREET,  
Secretary & Treasurer

Prince William street, St. John, N. B.  
December 25, 1847.
