rierence, and that to one still great-

er, Alexander the Great, a monarch so renowned that Augustus Ceasar

visited his tomb in homage as to a

god, and wore his portrait on his

signet ring. It was as a god, too,

that the Roman Senate regarded

Alexander, whilst a well known fam-

ily had his portrait in their ears, on

their heads, clothes and houses as a

talisman. The sarcophagus containing

the body of Alexander, a solid block

of green Egyptian breccia, most rare

and beautiful, was found by the French army in the city of Alexan-

dria, but afterwards came into

ossession. Alexander died in

duty, uttering a mournful dirge.
