

during the year; extending over 25 pages.  
 Flowers of the Year—15 pages. New  
 List of Agricultural and Horticultural  
 Lists, issued from the United States Patent  
 Office, during the year 1859. List of Horticultural  
 and Agricultural Journals. Horticultural  
 Directory, being a list of the establishments of  
 nurserymen, Seedsmen, Florists, &c., in the

BLACKWOOD'S MAGAZINE FOR JULY—New  
 Leonard Scott & Co. Toronto: H.  
 H. This is an excellent number of Black-  
 wood's Magazine. The articles are: The Secret History  
 of the Russian Campaign of 1812—Sir Robert  
 Blyden; Captain Speke's adventures in Somali  
 Land—Part III.; Poetry; Judicial Puzzles—  
 The Wonders of the Amazon; The Royal Academy  
 of Sciences and Exhibitions; Norman Sinclair—An  
 Autobiography—Part VI.; An Election in  
 England—Part I.; The Reform Bill and the  
 Opposition.

TRANSACTIONS.—A pressure of occupa-  
 tion prevented the requisite attention being  
 given to the usual abstract of the Societies' Re-  
 ports. It is commenced however in the present  
 number and will be continued as rapidly as cir-  
 cumstances will permit.

HALF VOLUME.—We beg leave to repeat  
 that the *Agriculturist* will be supplied for the  
 year, commencing July 1st, at 25c per copy,  
 for \$2.00. The half volume will  
 consist of 12 numbers of 32 pages each, and  
 will not be printed as a distinct volume, but  
 as a good sized book of 384 pages. The  
 numbers can be supplied from the 15th  
 of the month per copy to the end of the year.

NOTICE.—We regret to notice that "The  
 Journal of Education and Agriculture for Nova  
 Scotia" is insufficiently supported to pay ex-  
 penses, and that the editor and publishers have  
 decided to suspend the periodical for a few  
 numbers in order to ascertain whether the Teach-  
 ers are really desirous to have an  
 organ to represent their cause. We hope that  
 the Blue Noses will bestir themselves

a little, and not allow so well conducted and use-  
 ful a journal to die out for want of adequate sup-  
 port.

TO CORRESPONDENTS.—Communications for the  
*Agriculturist* should come to hand a week be-  
 fore the date of the number in which they are  
 to appear, as the paper must go to press several  
 days before the nominal date of publication.
